Why Worry When You Are A Christian:

Practical Christian Living Steve Urick, 2011-11-30 Christians face many issues after they have been saved by God's grace. Knowing God, loving Him, and people living holy lives, questions about sex, dating, marriage, divorce, and the role of civil government and the local church are just a few. *Practical Christian Living* discusses these life topics and teaches Christians how to deal with overcoming sin. It also gives advice on how to live under God-ordained authority. Whether you are an old or new believer, this popular book will equip you with a basic understanding of God's plan and help you grow in grace and knowledge of Christ in order to live a life that is wise, fruitful, and pleasing to God. It will also help you to do the work of discipling others.

The Christian's Guide to Living in the Last Days Vol.2 Billy Crone, 2019-01-03 It's not enough to just know we're living in the Last Days; the point is to do something about it. We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it's too late. Time is simply running out. The problem is most Christians are distracted, disinterested, or flat out apathetic, making no difference for Jesus in these Last Days. On top of that, their countenance is a bad walking advertisement for Jesus. Therefore, this book *The Christian's Guide to Living in the Last Days Vol. 2* seeks to equip you, the reader, with pivotal keys that are absolutely crucial if we're ever going to have that life-changing walk with Jesus in these final hours. Here you will learn such insights as *The Dangers of a Misplaced Mind*, *The Dangers of a Misplaced Lifestyle*, *Focus*, *Attitude*, *Behavior*, *Understanding*, and *Posture*. Turn your walk and witness around for Jesus before it's too late.

The Church: Rights and Responsibilities of the Believer Zacharias Tanee Fomum, In this compelling message Prof. Fomum delves into the rights, privileges, and responsibilities of the believer within the context of the church. He puts things in the form of a systematic exposition of the Scriptures in the book of Ephesians. The unique characteristics and rationale of the

church are clearly presented Is the church a building or the people What s the role of the church in the believer s life and vice versa How does someone become a member of the church What does a believer miss by not being part of the local church The reader will discover that all of God s power is available to the believer only in the context of the church He who is fully in the church will tap into that power The purposes of God are tied to the church Unless one finds his place in the church in the local context he has missed it all Every believer must therefore get to know his rights and responsibilities in the local church flow in them fulfill them and enjoy the benefits therein The believer s rights are an empowering anointing while spiritual gifts and offices are given to enable him carry out every responsibility successfully **Christian Dating: the Q & a Book**
