Athletics Are Hurting Girls' Sports Rick Eckstein,2023-02-08 More girls are playing sports than ever before which on the surface is great for girls because sports offer positive and empowering fun for young women In reality though few young athletes report fun as a reason they play sports The rates of concussions and repetitive use injuries are on the rise and kids are encouraged to specialize in a single sport at earlier and earlier ages even at the expense of friends other activities and health Through years of extensive research Rick Eckstein discovered that college athletics have had an alarming impact on this trend in youth sports particularly for girls *How College Athletics Are Hurting Girls Sports* looks closely at college sports and how they shape the athletic and personal landscape for girls and young women Filled with powerful interview excerpts from women athletes of all ages as well as coaches league officials and others the book chronicles how college and youth sports have become more commercialized to the detriment of participants The book looks at a range of sports with case studies including soccer field hockey ice hockey figure skating and Ultimate Frisbee Featuring a new preface to bring this evergreen topic up to the present *How College Athletics Are Hurting Girls Sports* is an important and timely reminder that even as we celebrate sports potential to have a positive impact on a girl's life changes need to be made in college and youth athletics to improve the experiences of young athletes so that sports become fun once again **Build It, Make It, Do It,**
