

The background of the entire slide is a sepia-toned photograph of a winter scene. It shows a path or road covered in snow, leading from the foreground into the distance. The path is flanked by rocky terrain, and the overall atmosphere is cold and desolate.

James Moore

Winter King Murder In Henrys Court Tudor Crimes Book 1:

TLS, the Times Literary Supplement ,1983 **The Tudor Murder Files** James Moore,2016-10-31 Collates the most shocking killings and puzzling murder mysteries from the sixteenth century in fascinating detail Gazette Herald In the Tudor age the murder rate was five times higher than it is today Now this unique true crime guide The Tudor Murder Files reveals just how bloody and brutal this fascinating era really was From the dark days of Henry VIII to the turbulent times of Shakespeare James Moore s new book is the first to chart the period s most gripping murder cases in all their grizzly detail Featuring tales of domestic slaughter sexual intrigue and cunning assassinations as well as murder mysteries worthy of Agatha Christie the book vividly brings to life the violent crime wave that gripped the sixteenth century both at home and abroad Enter a world in which stabbings were rife guns were used to kill victims for the first time and in which culprits frequently escaped justice The book also reveals just how severe some of the penalties could be with grisly punishments for those who dared to commit the gravest of crimes Discover how one murderer was gruesomely pressed to death another boiled alive for poisoning his victims and meet some of history s most notorious serial killers including one considered so barbaric she was labelled a vampire Contains more than seventy real life murders profiling over thirty cases in detail And not only does James chart how killers were caught and dealt with by the justice system he also discusses how murders were reported to the new news hungry nation Luton Today **The White Rose Murders (Tudor Mysteries, Book 1)** Paul Doherty,2012-11-27 Anarchy and unrest make for a deadly investigation In the first journal of Roger Shallot the Tudor sleuth writes of the murders and villainy perpetrated during the reign of King Henry VIII in Paul Doherty s masterful novel The White Rose Murders Perfect for fans of Susannah Gregory and C J Sansom The best of its kind since the death of Ellis Peters Time Out In 1517 the English armies have defeated and killed James IV of Scotland at Flodden and James s widow queen Margaret sister to Henry VIII has fled to England leaving her crown under a Council of Regency Roger Shallot is drawn into a web of mystery and murder by his close friendship with Benjamin Daunbey the nephew of Cardinal Wolsey first minister of Henry VIII Benjamin and Roger are ordered into Margaret s household to resolve certain mysteries as well as to bring about her restoration to Scotland They begin by questioning Selkirk a half mad physician imprisoned in the Tower He is subsequently found poisoned in a locked chamber guarded by soldiers The only clue is a poem of riddles However the poem contains the seeds for other gruesome murders The faceless assassin always leaves a white rose the mark of Les Blancs Sangliers a secret society plotting the overthrow of the Tudor monarchy What readers are saying about The White Rose Murders Roger is a rogue and a villain but so engaging that the reader soon becomes entangled in the complex mysteries The plots are always original and interesting and populated by a wonderful cast of characters Paul Doherty has a great talent for describing the gory and realistic details of Tudor life and bases his story on facts which make it credible as well as a very entertaining whodunit **The King's Examiner** Anne Stevens,2017-03-04 Will Draper has broken with Thomas Cromwell

and is wondering what to do with his life from now on Cromwell is trying to keep both Henry and his Lady Anne happy and finding it increasingly difficult When Henry seems to favour a new face at court Cromwell becomes suspicious What hold does the newcomer have over the king He determines to investigate Sir Peregrine Martell but is hampered by the lack of Will Draper s clever mind A temporary reconciliation comes about when Will is promoted to the rank of Colonel of Horse and made the King s Royal Examiner Cromwell seizes his chance and lures Will Draper into investigating Martell Cromwell accepts an invitation to visit Broome Hall Martell s estate and takes Will with him but things are not as they seem They arrive to find that Martell has not issued the invitation and others are arriving with each passing hour Why have these people who have never met before been lured to Broome Hall With a snow storm closing in on them Cromwell Lady Agnes Cahan Martell Richard Pound a rich merchant Count Jean Carnet and Sir Roderick Travis a Corsair who once was the terror of the Spanish Main find themselves trapped and at the mercy of an invisible foe Will Draper must question each in turn and find out what links them to Broome Hall Will secures the house and settles his flock of bemused visitors down for the night He stands a lonely vigil but to no avail Come the dawn and one of his flock is dead Will Draper realises that the flock he is protecting might have a wolf hiding within The King s Examiner works his way through an ever more complicated investigation and comes to some startling conclusions Cromwell finds himself being courted by a beautiful widow and for once he seems to have little control of events As the snowstorm abates secrets are revealed and the finger of justice is pointed Back at court arrangements are being made for a royal visit to Calais the small piece of England that is still in France Thomas Cromwell returns to London in a black depression realising that his power will be broken once Anne marries Henry The Austin Friar s young men rally to him and suggest an audacious plan that will put Cromwell back on top and knock back the pretensions of the Boleyn family once and for all But plans can go awry This is the sixth book in the TUDOR CRIMES series and it speeds along at the same pace as the first five Real people perform their allotted parts in the story whilst Anne Stevens characters weave in and out of Tudor history drawing together fact supposition and fiction into a satisfying slice of Tudor England The author breaths life into ordinary folk and makes you want to know about them How they slept how they ate how they loved and how they survived in such a harsh environmet Who will not have there fingers crossed for Miriam having lost a child how will the next pregnancy go In an England where only one child in five lived to see their second birthday giving birth was a dangerous gamble What of Mush Brooding and handsome the young Jewish boy struggles to find himself How can Rafe cope with a new position at court and keep his faith with Cromwell And what of Thomas Cromwell He is the rock upon which the Austin Friars cabal rest and his foundations are crumbling Can he fend off the Boleyns and carry out the great reforms to English society The blacksmith s boy sees that he can make England into a fairer place for all a place where the lowest is looked after and anyone can rise to greatness All he has to do is stay alive I can t wait for the next one Midnight Queen Anne Stevens writes history the way it should have happened
