

Operation Reference

1. No Calibration Required.

Upon the software installation completed, there is an exclusive driver for this joystick along with the software installed in your PC. This driver provides you the convenience to start game play right away once the hardware and software installation completed yet without the complicated game controllers' calibration procedure you have to perform before start using the conventional joysticks.

2. Instant Game play Access

The GameWizard starts to run automatically each time when you boot your computer. It appears as an icon in the Start Tray, for your instant access game play at anytime, as you want. For more details about software operation, please refer to the Help / e-manual inside the CD, or the online manual in the GameWizard to get sufficient information.

3. 3D Ergonomic Handgrip with Rudder Function

This joystick is equipped with the 3D ergonomic handgrip, which offers 360-degree auto centering movement and the precise hand-twist rudder control for your instant maneuver in gaming.
