Never Forgotten Jodie Sloan, 2015-06-26 Sal has learned why Josh left her so long ago without any explanation. It's not exactly what she thought it would be and in her mind it was another woman or a commitment issue. What she learns instead is that he is a werewolf, a man that turns into this creature once a month during the full moon. Instead of shying away from it, she embraced it and even asked him to change her into one of them. He was reluctant at first but eventually her persistence paid off and they became more than just a couple; they became a family. They had no idea that a man was watching them as they changed for the first time, showing off her baby bump and moving into the woods for her first hunt. Josh has been very secretive about his past and even family life. Sal believes that he is hiding something from her and has taken it upon herself to dig into his family tree. Josh, on the other hand, feels that the past should be left where it is and never wants to speak of his family or of the past again. Unfortunately, these things tend to raise their ugly head at the wrong moments. His love for her will be tested when she betrays him and brings to their doorstep a long lost family member. It will be a sister named Sheila, a woman that has been searching for her brother for a very long time. It is a strained relationship between the two of them and even though Sal pries about their family, neither one is willing to speak of it. If she thought that becoming a werewolf was going to be her biggest obstacle, she is about to find out that there is a lot more to Josh than just the change on the full moon.

Wolf In Disguise Trilogy (An Erotic BBW Werewolf Pregnancy Romance Series Box Set) Jodie Sloan, 2015-06-19 Sal is turning 30 and she starts thinking about settling down with someone, even though she has had several sexual partners that have left her wanting. It has been her experience that a huge asset usually means a big ego, but that was not the case with Josh. Her thoughts begin to go back to that one date and night of passionate love making and then out of the blue he calls. They arrange for another date and it goes very well until a very deep dark secret of his comes to light. Check out what happens next in the 3 book in 1 boxed set of the Wolf In Disguise Trilogy now. Hot Springs Werewolf, Part 3 (BBW Werewolf Erotic Romance) Emily Cantore, Harper's world is spinning out of control. The last time she saw Red Guile, the wolf next door, he was leaping out a window. Now the dark history of the Finch family is drawing her in and she takes a trip to the crumbling Finch mansion where she discovers that Red is no tame wolf. When a picnic in the forest ends with a shocking offer, Harper must decide what she really wants. This 10,000 word story is part three in a hot new werewolf erotic romance series from Emily Cantore. It contains explicit descriptions of sexual activity between a curvy bbw girl and a sexy werewolf alpha. Intended only for mature audiences. 18 EXCERPT Red picked up his coffee cup and then took me up the staircase and into a room on the second floor that still had an intact window. The sun was shining in and I could see the city through the trees. The floor creaked but Red was unconcerned so I felt safe. I was about to say something about the weather or the view or the sunshine when Red placed the coffee cup on the floor, turned, and then kissed me. It was a soft kiss, apologetic almost. I felt myself relaxing into him and then responding. The kiss left apology behind and became power and lust and physical connection. His hand touched the back of my neck. I twisted his shirt in my fingers. He growled a deep sound from within his chest. I bit his lip.

Yet at the same time, she misses the touch and the warmth of a man. A few weeks before Christmas, her family has a reunion in New York, and after a family lunch, she goes into the city to meet her friends, promising her son she will be back to read him a bedtime story. Unfortunately, she doesn't make it home that night; instead, she is kidnapped and wakes up on an unknown island the next day. The first person to visit her is her new boss, Bernard. He explains that she will have to become a prostitute for werewolves if she ever wants to see her son alive again. She will be living a luxurious life in order to satisfy the unusual clients of the brothel, and she obeys in the hopes that she will see her son again. Although frightened and concerned for her son, the first werewolf client that she ends up with is stunningly attractive, a billionaire, and she comes to realize that she might actually enjoy her new job. Surprisingly, though, he is not just there for a short one-night stand; he is interested in the story she has to tell. *Werewolf's Courtesan* is a 6400 short story about a smart voluptuous woman who is ready to do anything to save her son.
