Notes on Democracy H. L. Mencken, 2025-09-09 Notes on Democracy by H L Mencken is a sharp irreverent and fearless dissection of democratic ideals from one of America s most provocative minds Written in the 1920s yet stunningly relevant today Mencken strips the romanticism from democracy and exposes its contradictions hypocrisies and absurdities with biting wit and intellectual firepower In his trademark sardonic style Mencken questions whether the common people whom democracy is supposed to empower are truly capable of governing themselves or whether democracy is just a spectacle run by mediocrities for mediocrities He categorizes political leaders into demagogues and demaslaves skewering both with equal glee Far from being a dry political treatise Notes on Democracy reads like a spirited debate over drinks with the smartest cynic in the room Love him or loathe him Mencken will challenge your assumptions make you laugh and leave you thinking long after the final page Perfect for readers who enjoy political philosophy with a sharp edge or who just want to watch sacred cows get grilled *We Want You to Know* Deborah Ellis, 2010 Kids express how they feel about bullies and bullying *As I Lay Dying* William Faulkner, 1991-01-30 A true 20th century classic from the Nobel Prize winning author of *The Sound and the Fury* the famed harrowing account of the Bundren family s odyssey across the Mississippi countryside to bury Addie their wife and mother *As I Lay Dying* is one of the most influential novels in American fiction in structure style and drama Narrated in turn by each of the family members including Addie herself as well as others the novel ranges in mood from dark comedy to the deepest pathos I set out deliberately to write a tour de force Before I ever put pen to paper and set down the first word I knew what the last word would be and almost where the last period would fall William Faulkner on *As I Lay Dying* This edition reproduces the corrected text of *As I Lay Dying* as established in 1985 by Noel Polk

Everything You Always Wanted to Know about God (But Were Afraid to Ask) Eric Metaxas,2005-10-18

Who doesn't have questions about God But where in the world can you go to get answers Eric Metaxas has been there so he gets it Which is why he's written this shockingly down to earth book on the big questions everyone asks but not always out loud Totally conversational and sometimes flat out hilarious this book asks How can a good God create a world that has evil and suffering Is God anti sex Doesn't science make God obsolete What's the real story on miracles If God is everywhere why go to church Don't we already have God within us Isn't God too busy running the universe to care about the details of my day These questions and many more get no nonsense answers that don't hide behind dull theological language So get the lowdown and more than a few laughs on what are probably the most important questions anyone has
