Third Grade Geometry Success Sylvan Workbooks Math Workbooks:

Third Grade Geometry Success (Sylvan Workbooks) Sylvan Learning, 2011-01-18 Success in math includes mastery of geometry skills and requires children to make connections between the real world and geometry concepts in order to solve problems. Successful problem solvers will be ready for the challenges of mathematics as they advance to more complex topics. The activities in this workbook are designed to help your children catch up, keep up and get ahead. Best of all, they'll have lots of fun doing it. Some of the great features you'll find inside are: Hidden Word: After writing the names of shapes, students unscramble circled letters to solve a riddle. Puzzling Patterns: To practice patterns, a large grid pattern has missing pieces and students must match sets of shapes to the place where they belong. Shape Up: Students determine the number of vertices, edges, and faces of common objects such as boxes, buildings, and more. Picture Perfect: To reinforce symmetry, students draw the missing half of different items such as letters, shapes, and faces. Plus Game Pieces: The workbook includes pentomino and tangram pieces for students to cut out and use with games, make patterns, and solve tangram puzzles. Give your child's confidence in math a boost with 3rd Grade Geometry Success.

Second Grade Geometry Success (Sylvan Workbooks)

Sylvan Learning, 2011-01-18 A solid foundation of basic geometry skills is essential for early success in math. Children who have a solid understanding of two and three dimensional shapes, symmetry, patterns, and location concepts will be ready for the challenges of mathematics as they advance to more complex topics. The activities in this workbook are designed to help your children catch up, keep up and get ahead. Best of all, they'll have lots of fun doing it. Some of the great features you'll find inside are: Neighborhood Walk: After practicing shapes, children walk through the house, yard, or neighborhood finding things shaped like circles, rectangles, triangles, and octagons. Later, they look for spheres, rectangular prisms, cylinders, and cones. Robot Repair: Children draw a line from each robot head to a correct body or from each robot to its missing parts by distinguishing the shapes. Farm Fences: Farmer Green wants to put fences around all of the animal areas of his farm. Children calculate the perimeter of the areas to determine how much fencing material Farmer Green needs to buy. Dance Floor: Robin and Roscoe are looking for a light up dance floor for their dance party. All of the dance floors have the same area, so children help determine the one with the largest perimeter. Plus Game Pieces: The workbook includes pentomino pieces, pattern blocks, and tangram pieces for children to cut out and use with games, make patterns, and solve tangram puzzles. Give your child's confidence in math a boost with 2nd Grade Geometry Success.

Second Grade Success with Sight Words (Sylvan Workbooks)

Sylvan Learning, 2011-03-08 A solid foundation of reading skills is essential for children to become successful readers. Learning basic sight words is a critical step in building that foundation. The activities in this workbook are designed to help your child catch up, keep up and get ahead, and best of all, to have lots of fun doing it. Here are some of the great features you'll find inside: I'm Thinking of a Word: Can you find the mystery word? Children read clues and cross out words that don't match the clues. Then they circle and write the mystery word. Spell Check: Children circle misspelled words in an e-mail.

words about places to go and things to do and then practice writing these words correctly Fix the Dictionary Words are missing from a dictionary page Children review sight words by matching the missing words to their correct definitions Word Hunt Children enjoy this popular game hunting for sight words across and down in a jumble of letters and then writing the words they find Title Time Some books are missing a word from their titles Children write the correct noun verb or adjective to complete the book cover Give your child s confidence in reading a boost with Second Grade Success with Sight Words

Fourth Grade Geometry Success (Sylvan Workbooks) Sylvan Learning,2011-01-18 Success in math includes mastery of geometry skills and requires children to make connections between the real world and geometry concepts in order to solve problems Successful problem solvers will be ready for the challenges of mathematics as they advance to more complex topics The activities in this workbook are designed to help your children catch up keep up and get ahead Best of all they ll have lots of fun doing it Some of the great features you ll find inside are Structures of the World Students circle the shape that closely resembles a familiar structure such as a pyramid water tower or a column on the Parthenon Around We Go A variety of familiar objects such as a kite a pool and a traffic sign provide practice in calculating perimeters Line Counter Students determine how many lines of symmetry there are in different shapes numbers and more Location Location Location Tracy s town is adding a park a pool a bookstore and a gym Using a map students label the locations from provided coordinates Plus Game Pieces The workbook includes pentomino and tangram pieces for students to cut out and use with games make patterns and solve tangram puzzles Give your child s confidence in math a boost with 4th Grade Geometry Success
