My Airline Years Leenie P. Mcphearson, 2015-11-19 First Day It is my first day on the job as a new flight attendant We have finished serving and I am sitting in the last row reflecting on where I am I look forward and see the No Smoking Fasten Seat Belt Signs I see the tops of passenger heads in their seats I see someone walking toward the back of the plane headed for the bathroom I am thinking Wow I am in charge of this plane and the passengers my airline has put me here and trusts me to perform my duties That includes not only serving but also and more importantly to evacuate this jet in a survivable emergency I CAN DO THIS On every trip I meet some new airline crews and I know I have found my niche I love the chat with some of the passengers I am on a short flight 50 min airtime and I notice a passenger on an aisle seat working a New York Times Crossword Puzzle My comment I wish I could work that puzzle it s over my head 40 minutes later doing the landing check I noticed he had completed the puzzle Good job I said This book does contain some racy stories along with sad emergency and sexual stories It is now about one month into my exciting new career Looking toward the back of the airplane and see a man and a woman both go into a bathroom Hmmm what is that all about They came out a bit disheveled and I learned from the other flight attendants that the couple now belongs to the Mile High Club or simply sex in the bathroom I m thinking In that extremely small smelly space Whatever A passenger commented What a rush that must be Cute Pilot Still new in my career I am meeting some cute young pilots It certainly is not unheard of for airline crews to date but how about a hot fling with a married pilot I met Aaron and we were scheduled to fly together for the month On every flight and on our layovers we were definitely flirting to say the least On one of our layovers Aaron asked me to join him in the hotel hot tub before retiring for the evening It was a very nice hotel with a great pool and inviting hot tub I knew where this was leading and I was excited I wanted to have an evening with him no one around and no alcohol just passion We went to his room after the hot tub and I slowly took off my bathing suit and his suit as well The next several hours were everything I had expected and more Aaron had a great body and was certainly well endowed My new friend Aaron knew all the right moves to make me

happy We continued with hot lusty sex for at least three hours I returned to my room as a happy girl I m sure I looked tired in the morning We met as a crew in the hotel lobby to return to the airport I remember the Captain smiling at me and continuing to smile throughout the trip Thankfully no comment was made guess what Adorable Aaron signed up to fly another month with me So the excitement and passion was repeated a couple more times Aaron created a very special memory for me one that I will never forget Do you think that experience is a rare one for flight crews Think again Having a nice clean room ready and waiting is just too tempting for many certainly not all Being young and having a few sleepless nights I can handle My Company relies on me to have due diligence on every flight I tried to never let them down I always valued the safety of my entire group of passengers above everything else Enjoying my evenings on layovers now that s a different story So many stories where do I start Straight men gay men straight women gay women bi sexual or whatever They all exist I will share with you some of those intricacies

Stars in the Sky Casey Grant,2014-11 In all of the stories about aviation and its history the stories of the first African American stewardesses have been left untold and unknown We first took to the skies when flying was glamorous and exclusive when little girls dreamt of being stewardesses models or movie stars We rubbed elbows with the elite and traveled the world when few others could We flew as pioneers in a global society long before the times of the Internet and

globalization We also kept our heads high facing down racial prejudice and discrimination We lived as stars of the sky I was one of the first African American stewardesses for Delta Air Lines and I worked alongside other pioneers for almost thirty five years as co adventurers and friends This book tells my story and theirs Author's notes Above the Glamour Richard Daub, Regina Keiser, 2008-05-29 With a touch of humor and a flair for the dramatic this memoir is a wildly fun and at times heartbreaking recount of the life of a flight attendant
