Thomas Merton And The Monastic Vision:

Thomas Merton and the Monastic Vision Lawrence Cunningham, 1999 Cunningham theology U of Notre Dame explores Merton's monastic life and his subsequent growth into a modern day spiritual master Starting from Merton's entrance into the Abbey of Gethsemani in 1941 he highlights the development of Merton's monastic life against the cultural background of the American experience and the vast upheavals in the Roman Catholic Church thus showing how his writings and continuing influence can only be understood against the background of his contemplative experience as a Trappist monk Father Timothy Kelley the current abbot of the Abbey of Gethsemani and a former novice under Merton provides a foreword Annotation copyrighted by Book News Inc Portland OR

A Monastic Vision for the 21st Century Patrick Hart, 2006 An ancient lifestyle which has been adapted renewed and is still being followed today monasticism appears to some outside it as a quaint anachronism and to others as the sanest of all ways of living Can it survive in the post post modern world A dozen insiders and outsiders monastics academics clergy laypersons hermits cenobites poets and writers offer their reflections on the future of the monastic life of prayer and community Contributing their insights are Michael Casey Kathleen Norris Lawrence Cunningham Terrence Kardong Bonnie Thurston John Eudes Bamberger Joan Chittister Mary Margaret Funk Gal Fitzpatrick Francis Kline Daniel Coughlin Robert Morneau Miriam Pollard and Bernardo Olivera

Thomas Merton and the Celts Monica R. Weis, 2016-09-19 Thomas Merton and the Celts offers a new lens through which to view Merton's life and spirituality By examining unpublished letters notebooks and taped conferences for the Trappist novices previously unavailable to the general reader the author breaks new ground in Merton studies revealing Merton's growing fascination with his Welsh ancestry Celtic monasticism and early Irish hermit poetry Merton having immersed himself in reading about Celtic Christianity not just about liturgy but about household rituals illuminated manuscripts high crosses and hermit poetry as well recognized in these ancient hermits who lived on water and herbs experienced kinship with creatures and wrote poems about the birds a mirror of his own desires Indeed in a profound way and at a deep level Merton discovered himself in Celtic Christianity

Thomas Merton and the New World Paul R.

Dekar,2023-01-01 Merton still matters writes Paul R Dekar about Cistercian monk Thomas Merton Calling people to act justly love kindness and walk humbly Merton used his contemplative practice to see beyond what disrupts and divides us from one another to find the truth of our common humanity unity in our creation in the image of God In Thomas Merton and the New World Dekar focuses primarily on two issues of concern to our current world First he studies Merton s warnings of the abuse that stems from unmindful and irresponsible use of technology and its ecological devastation Second he examines Merton s thinking on racial injustice in the mid 1960s through his correspondence with his allies and contemporaries James Baldwin for example Using Micah 6 8 to arrange Merton s focus on justice lovingkindness and humility with input from Merton s dialogue with Gandhi Martin Luther King Rachel Carson and others Dekar demonstrates just how prophetic and transferable Merton s teachings remain Thomas Merton's Encounter with Buddhism and Beyond Jaechan Anselmo Park,2019-03-07 Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton s role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton s self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton s understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton s contemplative spirituality and shows how Merton s legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context **The Franciscan Heart of Thomas Merton** Daniel P. Horan,2014-09-22 Daniel Horan popular author of Dating God and other books on Franciscan themes and expert on the spirituality of Thomas Merton masterfully presents the untold story of how the most popular saint in Christian history inspired the most popular spiritual writer of the twentieth century and how together they can inspire a new generation of Christians Millions of Christians and non Christians look to Thomas Merton for spiritual wisdom and guidance but to whom did Merton look In The Franciscan Heart of Thomas Merton author Daniel Horan shows how both before and after he became a Trappist monk Merton s life was shaped by his love for St Francis and for the Franciscan spiritual and intellectual tradition Given recent renewed interest in St Francis this timely resource is both informative and practical revealing a previously hidden side of Merton that will inspire a new generation of Christians to live richer deeper and more justice minded lives of faith Mystics William Harmless,2008 In Mystics William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed

Spiritual Stars John Wilkins, Selina O'Grady, 2006-01-31 A fascinating collection of short biographies of the greatest spiritual stars of the last thousand years ranging from St Anselm to Martin Luther King Some of the greatest living scholars have contributed to this series Eamon Duffy on Dante Rowan Will *Volume 10, Tome III: Kierkegaard's Influence on Theology* Jon Stewart, 2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome III explores the reception of Kierkegaard's thought in the Catholic and Jewish theological traditions In the 1920s Kierkegaard's intellectual and spiritual legacy became widely discussed in the Catholic Hochland Circle whose members included Theodor Haecker Romano Guardini Alois Dempf and Peter Wust Another key figure of the mid war years was the prolific Jesuit author Erich Przywara During and especially after World War II Kierkegaard's ideas found an echo in the works of several trend setting Catholic theologians of the day such as Hans Urs von Balthasar Henri de Lubac and the popular spiritual author Thomas Merton The second part of Tome III focuses on the reception of Kierkegaard's thought in the Jewish theological tradition introducing the reader to authors who significantly shaped Jewish religious thought both in the United States and in Israel These theologians represent a variety of religious and political backgrounds the spiritual world of Hasidism Modern Orthodox Judaism of Mithnaggedic origin and Modern Religious Zionism **Rhetoric, Religion and the**

Civil Rights Movement, 1954-1965 Davis W. Houck, David E. Dixon, 2006 V 2 Building upon their critically acclaimed first volume Davis W Houck and David E Dixon s new Rhetoric Religion and the Civil Rights Movement 1954 1965 is a recovery project of enormous proportions Houck and Dixon have again combed church archives government documents university libraries and private collections in pursuit of the civil rights movement s long buried eloquence Their new work presents fifty new speeches and sermons delivered by both famed leaders and little known civil rights activists on national stages and in quiet shacks The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era Houck and Dixon s work illustrates again how a movement so prominent in historical scholarship still has much to teach us Publisher *Thomas Merton's Gethsemani* Harry L. Hinkle, 2021-12-14 For twenty seven years renowned and beloved monk Thomas Merton 1915 1968 belonged to Our Lady of Gethsemani a Trappist monastery established in 1848 amid the hills and valleys near Bardstown Kentucky In Thomas Merton s Gethsemani dramatic black and white photographs by Harry L Hinkle and artful text by Merton scholar Monica Weis converge in a unique experience for lovers of Merton Hinkle was allowed unprecedented access to many areas inside the monastery and on its grounds that are generally restricted His photographs invite the reader to experience the various knobs lakes woods and hermitages Merton sought out for times of solitude and contemplation and for reading and writing These unique images each accompanied by a passage from Merton s writings evoke personal reflection and a deeper understanding of how and why Merton came to recognize himself as a part of his Kentucky landscape Woven throughout the book Weis s text explores Merton s fascination with nature not only at Gethsemani but during his early childhood throughout his spiritual conversion to Roman Catholicism and while a member of the Trappist community She examines how Merton s lifelong interaction with nature subtly revealed and informed his profound spiritual experiences and his writing about contemplation Thomas Merton s Gethsemani replicates Merton s path on his solitary hikes in the woods and conveys the wonder of the landscapes that inspired him **Finding All Things in God** Hans Gustafson, 2017-05-25 In Finding All Things In God Hans Gustafson proposes pansacramentalism as holding the potential to find the divine in all things and all things in the divine Such a proposition carries significant interreligious implications particularly in the practice of theology Presupposing theological practice as divorced from spirituality lived religious experience Gustafson presents pansacramentalism as a bridge between the two In so doing Gustafson offers a history of spirituality sketching the foundations of a classical approach to sacramentality through Aquinas as well as a contemporary approach to the same through Rahner and Chauvet Through three fascinating case studies this book presents particular instances of sacramentality in lived religious experience Gustafson offers an exciting method of doing theology one which is entirely compatible with the interdisciplinary field of interreligious studies **Buddhist-Christian Dialogue in an Age of Science** Paul O. Ingram, 2008 Buddhist Christian dialogue has rarely touched on its interaction with science yet its importance has immense

implications Buddhist Christian Dialogue in an Age of Science offers a fresh and exciting view on the ideas themes and people engaged in the three way dialogue between Christianity Buddhism and the natural sciences Ingram s comprehensive yet accessible scholarship is uniquely solid in both religion and science and has the gift of making complex theories understandable Providing these three different perspectives will be useful for anyone interested in the relationship between religion and science **Contemplating God, Changing the World** Mario I. Aguilar,2008 Mario Aguilar skillfully elegantly and clearly presents the life and thought of some of the major spiritual forces of our time as a starting point for his own compelling reflections on the relationship between contemplation and politics We need more books like this one Professor Ivan Petrella University of Miami *The Spiritual Way* Philip Sheldrake,2019-09-06 In *The Spiritual Way* Classic Traditions and Contemporary Practice Philip Sheldrake aims to make the wisdom of Christian spirituality better known to contemporary readers After an introductory chapter on the foundations of Christian spirituality Sheldrake describes its diverse riches through the centuries in terms of five distinctive types of Christian spiritual wisdom illustrated by a rich selection of classical examples The five types are The Way of Discipline The Contemplative Mystical Way The Way of Practical Action The Way of Beauty and The Prophetic Way This book also briefly explores the contemporary interest in spirituality within and beyond conventional religion and suggests how we might engage with these five types on our spiritual journeys in today s world

In the Midst of Much-Doing Charles R. Ringma,2023-05-31 How are we to sustain activism and compassion amidst the never ending crises of the twenty first century While the concern for social justice is deeply biblical cynicism burnout and despair are all too common side effects when action is divorced from contemplation To effectively serve as the hands and feet of Jesus the church must attend to the revitalization of its inner life through the spiritual practices which feed support and sustain the work of the kingdom Rather than the fragmentation and dualism that have led denominations to choose between prayer and service evangelization and justice the church must integrate heart mind and body in order to fulfil its calling to transform the world from within Drawing from Scripture and a wide range of Christian traditions from the monastic to the evangelical this book inspires its readers to integrate spiritual renewal and prophetic witness for the glory of God and the good of his creation
