Selected Poems of Frederick Goddard Tuckerman Frederick Goddard Tuckerman, 2010-04-15 Unlike Whitman Dickinson or Wordsworth Frederick Goddard Tuckerman 1821-1873 never wanted to start a revolution in poetry Nor did he like Longfellow or his friend Tennyson capture or ever try to represent the spirit of his age Yet he remains one of America's most passionate moving and technically accomplished poets of the nineteenth century a New Englander through and through a poet of the outdoors wandering fields and wooded hillsides by himself driven to poetry and the solitude of nature by the loss of his beloved wife This is the persona we encounter again and again in Tuckerman's sonnets and stanzaic lyric poetry Correcting numerous errors in previous editions this is the first reliable reading edition of Tuckerman's poetry Ben Mazer has painstakingly re-edited the poems in this selection from manuscripts at the Houghton Library Included in this generous selection are several important poems omitted in *The Complete Poems of Frederick Goddard Tuckerman* In her introduction to the volume Stephanie Burt celebrates an extraordinary poet of mourning and nature an anti-Transcendental who in many ways seems closer to writers of our own century than to say Emerson or even Thoreau Readers who enjoy the verse of Richard Wilbur Anthony Hecht or Mary Oliver will find much to admire in Tuckerman's poetry

perspectives on the meanings and reception of The Divine Comedy Some investigate Dante's intentions by exploring the poem's esoteric allusions to topics ranging from musical instruments to Roman law Others examine the poem's long afterlife and reception in the United States with chapters showcasing new discoveries about Nicolaus de Laurentii's 1481 edition of Commedia and the creative contemporary adaptations that have relocated Dante's visions of heaven and hell to urban American settings This study also includes a guide that showcases selected treasures from the extensive Dante collections at the Library of Congress illustrating the depth and variety of The Divine Comedy's global influence The Unexpected Dante is thus a boon to both Dante scholars and aficionados of this literary masterpiece Published by Bucknell University Press in association with the Library of Congress Distributed worldwide by Rutgers University Press *Contemporary Authors* CONTEMPORARY.,1981 **The Most Disreputable Trade** Thomas F. Bonnell,2008-04-17 A publishing phenomenon began in Glasgow in 1765 Uniform pocket editions of the English Poets printed by Robert and Andrew Foulis formed the first link in a chain of literary products that has grown ever since as we see from series like Penguin Classics and Oxford World Classics Bonnell explores the origins of this phenomenon analysing more than a dozen multi volume poetry collections that sprang from the British press over the next half century Why such collections flourished so quickly who published them what forms they assumed how they were marketed and advertised how they initiated their readers into the rites of mass market consumerism and what role they played in the construction of a national literature are all questions central to the study The collections played out against an epic battle over copyright law and involved fierce contention for market share in the classics among rival publishers It brought despair to the most powerful of London printers William Strahan who prophesied that competition of this nature would ruin bookselling turning it into the most pitiful beggarly precarious unprofitable and disreputable Trade in Britain Samuel Johnson's Lives of the Poets were part of such a collection dubbed Johnson's Poets The third edition of this collection published in 1810 brought the national project to its high water mark it contained 129 poets plus extensive translations from the Greek and Roman classics By this point all the features that characterize modern series of vernacular classics had been established and never since has such an ambitious expression of the poetic canon been repeated as Bonnell shows by peering forward into the nineteenth century and beyond Based on work with archival materials newspapers handbills prospectuses and above all the books themselves Bonnell's findings shed light on all aspects of the book trade Valuable bibliographical data is presented regarding every collection forming an indispensable resource for future work on the history of the English poetry canon
