Holy Murder Larry Powell, William R. Self, 2007 This volume examines one of the most controversial stories in the Bible the akedah or sacrifice of Isaac recounted in the 22nd chapter of Genesis Today more than three thousand years later the story continues to evoke controversy It has had an impact on Judaism Christianity and Islam each clinging to different interpretations Even among adherents of a common faith interpretations of the passage differ to such extremes that it can be used to justify unthinkable behavior ranging from infanticide mass murder and suicide bombings Abraham s actions have generated a sacrificial rhetoric that continues to exert a powerful influence on modern society The rhetoric of sacrifice was born when the first person used the story of akedah to inspire another to sacrifice willingly on their behalf Since then a multitude of religious leaders and

religious imposters have used the rhetoric of sacrifice to do their bidding The akedah has proven itself as a tool that placed in the wrong hands can be used to commit unthinkable acts **A Father Offers His Son** Scott LaPierre,2018-08-30 Have you ever wondered why God asked Abraham to sacrifice his son in Genesis 22 The Angel stopped Abraham showing God did not intend for him to kill Isaac but what did God desire God wanted to test Abraham and readers will discover the account primarily reveals In human terms what God would do with His Son two thousand years later The many ways Abraham and Isaac are a picture of God and His Son The tremendous love of God shown through Christ s sacrifice Genesis 22 is not primarily about Abraham and Isaac God and Jesus are the true and greater Father and Son shining forth in the account Abraham did not spare his son but was willing to deliver him up for God Likewise God did not spare His Son but delivered Him up for us all Romans 8 32 **Abraham Was Commanded to Sacrifice Ishmael-His Firstborn** D. I. L. R. Banu,2025-07-24 Synopsis The history of the Semitic Religion tells us people belonging to world s three great monotheistic religion Judaism Christianity and Islam have inherited their faith from Abraham Their holy scriptures both Bible and Quran also mentioned Abraham as the father of many nations He was also called the friend of God because he overcame many difficult trials or tests that he faced to prove his faith love and submission to God Most astonishing and gruesome of those trials as it is believed by the Jews the Christians and the Muslims equally is to sacrifice his only son of his old age by the command of God They also believe equally God commanded Abraham to stop when he was ready with a knife to kill his tied up son inside a thick bush They also believe equally he was provided with a ram and commanded to sacrifice it in place of his son But one thing they have differed completely is about the intended son of his sacrifice Both the Jews and the Christians claim the intended son of Abraham s sacrifice is Isaac his younger son through his wife Sarah while the Muslims claim he is Ishmael his firstborn through his second wife Hagar Sarah s Egyptian handmaid This book describes in detail how or why this difference or discrepancy in their claim occurred based on the statements of the Bible the Quran and the narration of the Judeo Christian and Islamic Tradition Autobiography It is the third book of Dil R Banu Though she is a Muslim by birth and practice and thinks herself lucky privileged and grateful to have Muhammad SA as her Prophet and Islam as her religion she has a great passion for Comparative Religion She has written this book for the people of all faiths especially for the Jews and the Christians who have lots of misconceptions about Abraham and about the intended son of his sacrifice She truly hopes and believes that an inquisitive and open minded reader will find many missing points or links in her book to reflect and realize why this four thousand years old unresolved issue about the intended son of Abraham s sacrifice should be taken seriously and be resolved once for all Abraham's Curse Bruce Chilton,2008 Explores the significance and implications of Abraham s near sacrifice of his son Isaac to shed new light on religious conflicts in the modern world analyzing the impact of the story on the beliefs and teachings of Judaism Islam and Christianity *The Only Son Offered for Sacrifice : Isaac Or Ishmael?* Abdus Sattar Ghawri,2004 *The Doctrine of Sacrifice Deduced from the Scriptures, Sermons* John Frederick

Denison Maurice, 2012-01 Purchase of this book includes free trial access to www.millionbooks.com where you can read more than a million books for free This is an OCR edition with typos Excerpt from book SERMON III THE SACRIFICE OF ABRAHAM Lincoln s Inn 3d Sunday in Lent March 19 1854 Genesis xxii 1 2 And it came to pass after these things that God did tempt Abraham and said unto him Abraham and he said Behold here I am And he said Take now thy son thine only son Isaac whom thou lovest and get thee into the land of JUoriah and offer him there for a burnt offering upon one of the mountains which I will tell thee of I Said some Sundays ago that the offering of Abel did not imply a precept enjoining sacrifices but that it did imply a revelation from God That revelation was not an exceptional or anomalous accident It was just as much presumed in the ordinary tillage of the ground as in the most awful worship The doctrine of the Bible as it comes out to us in the book of Genesis as it is consistently evolved in every subsequent book is that man would not be a thinking reasonable moral being if there were not an intercourse between him and his Creator if God were not awakening him continually to a sense of that which he has to do and of the prin ciples upon which he is to do it If Revelations of this kind are not strange and irregular but orderly the sacrifice which responded to them seemed to be of the same character It was the most simple way more simple and primitive than words in which a man could confess that there was a higher Being whom his eye could not see who was near him acting upon him ruling him causing the seeds which he had sown to bring forth giving life to those creatures which were His servants and which were also subject to death The wonder awe and mystery of the universe and of that creature who alone was capable of feeling awe and wonder and of being perplexed by a mystery came forth in

The Binding of Isaac Omri Boehm, 2007-07-20 Traditional interpretations in both Judaism and Christianity argue that the Akedah presents not only an ethical question but also an ethical reply But for the intervention of the angel Abraham would have killed his son Obedience to God take precedence over morality as humanly conceived Yet the angel of YHWH that appears to Abraham is a later addition to the text thus in the original narrative Abraham actually disobeys the divine command to slay his son and sacrifices a ram instead The first part of the book shows how the original version of the narrative did not contain the angelic figure The second part of the book re examines various religious interpretations of the text to show that exegetes such as Maimonides and his followers did point out Abraham s disobedience According to these writers the esoteric layer of the story in fact declares that disobedience to God s command was Abraham s true affirmation of faith In the third part of the book Boehm re opens the philosophical debate between Kant and Kierkegaard Boehm concludes the book by contending that the monotheistic model of faith presented by Abraham was actually a model of disobedience
