Versuch Ethnographie Philippinen Perfect Library:

The Philippines and France: Discovery, Rediscovery Aileen S. Mendiola-Rau, 2019-04-01 THE DIPLOMATIC RELATIONS BETWEEN THE PHILIPPINES AND FRANCE DID NOT MERELY BEGIN OVER 70 YEARS AGO The journey of discovery began even earlier when French cartography was being developed as early routes to and around the Philippines were first being plotted by adventurous maritime explorers The cover of this book depicts this journey a French frigate bravely traverses the seas of Guillaume Delisle's 17th century world map headed eastward in search of new discoveries guided by the Philippine sun As both countries rediscover each other by building an even better relationship in the future it will be a continuous journey of both discovery and rediscovery

The Age of Globalization Benedict Anderson, 2013-11-05 The exchange of ideas makes history as surely as the exchange of gunfire The Age of Globalization previously published as Under Three Flags is an account of the unlikely connections that made up late nineteenth century politics and culture In particular Benedict Anderson examines the links between militant anarchists in Europe and the Americas and the anti imperialist uprisings in Cuba China and Japan Told through the complex intellectual interactions of two great Filipino writers the political novelist Jos Rizal and the pioneering folklorist Isabelo de los Reyes The Age of Globalization is a brilliantly original work on how global networks shaped the nationalist movements of the time

Under Three Flags Benedict Richard O'Gorman Anderson, 2005 In this sparkling new work Benedict Anderson provides a radical recasting of themes from Imagined Communities his classic book on nationalism through an exploration of fin de siècle politics and culture that spans the Caribbean Imperial Europe and the South China Sea A jewelled pomegranate packed with nitroglycerine is primed to blow away Manila's 19th century colonial elite at the climax of El Filibusterismo whose author the great political novelist Jose Rizal was executed in 1896 by the Spanish authorities in the Philippines at the age of 35 Anderson explores the impact of avant garde European literature and politics on Rizal and his contemporary the pioneering folklorist Isabelo de los Reyes who was imprisoned in Manila after the violent uprisings of 1896 and later incarcerated together with Catalan anarchists in the prison fortress of Montjuich in Barcelona On his return to the Philippines by now under American occupation Isabelo formed the first militant trade unions under the influence of Malatesta and Bakunin Anderson considers the complex intellectual interactions of these young Filipinos with the new science of anthropology in Germany and Austro Hungary and with post Communard experimentalists in Paris against a background of militant anarchism in Spain France Italy and the Americas Jose Marti's armed uprising in Cuba and anti imperialist protests in China and Japan In doing so he depicts the dense intertwining of anarchist internationalism and radical anti colonialism Under Three Flags is a brilliantly original work on the explosive history of national independence and global politics
