Very Awkward Tax A Bite Size Guide To Vat For Small Business:

Very Awkward Tax Emily Coltman, 2013-05-10 Of all the UK's myriad taxes VAT is one that affects us all but as a small business owner it causes a great deal of uncertainty When if at all should you register for VAT How do you charge and collect VAT What do you actually have to pay to HMRC And what happens if you're making sales or buying supplies from outside the UK In this new e book her third Emily Coltman ACA one of the UK's foremost small business accountants answers all these questions and many more in the plain simple English we have come to expect from her work [The eBay Business Handbook 3e](#) Robert Pugh, 2010-07-09 Anyone can buy and sell on eBay But how many people actually make serious money from eBay How many people make enough give up the day job and run an eBay business full time Robert Pugh has done just that and in this fully updated and revised third edition of his eBay Business Handbook he reveals the secrets of his success Robert covers everything you need to know from the eBay basics through to the creation and management of your own business It gives you the information you need to use eBay to its full potential to maximise returns and develop a robust online business This book has been written for anyone who has ever considered the idea of being their own boss Whether you want to supplement an existing income or you want a complete change in lifestyle this book is for you giving you the confidence and knowledge you need to make that step Unlike many other eBay guides this handbook is based on the personal experiences of an established Power Seller Everything is covered from the practical concerns of international sales to the purchase of packing materials With a fresh common sense approach to selling the book includes many hints tips and personal recommendations that can be applied to all of your eBay activities One of the most valuable sections is the one dedicated to finding stock to sell Where traders obtain their stock is a closely guarded secret and often finding where to buy can be quite daunting This guide tells you where to look how to buy from different sources and perhaps the most interesting of all how to use eBay as a source of goods Discover how the author went from zero to over 25 000 positive feedbacks and counting From the very first LP record to the family car he has sold items into almost every corner of the globe and taken every form of payment known to man Anybody can do this just follow the simple steps in this guide dedicate the time and soon you too could be living the eBay dream [Micro Multinationals](#) Emily Coltman, 2012-04-02 A plain English guide to international finance for small UK based businesses this book is essential if you're considering exports The world is shrinking If your business has a website or if you're using Twitter or are on LinkedIn then you and your business can be seen by people right across the world and lots of them might be your potential customers There are lots of exciting opportunities out there But there is always a catch Keeping on the right side of the taxman can be time consuming enough if you run a small business and don't sell or buy anything outside the UK When you look outside our borders there are even more tax traps waiting for the unwary small business owner What should you do to make sure you don't fall foul of not only HM Revenue and Customs but also the tax authorities in the countries where you're buying and selling your wares What would it mean for tax if you're

travelling overseas yourself to carry out a project for a customer or if you want to be based in the UK and sell goods or services to customers abroad or if you want to set up a satellite business outside the UK How should you deal with selling to customers and buying from suppliers in foreign currencies You may well want to keep your business small but what if you want to have a local staff member or agent abroad What are the pitfalls And are there any grants or help available for small businesses who want to look beyond the UK s shores for customers Emily Coltman answers all these questions and more in this brand new book Packed with useful guidance and case studies from UK small business owners who have either spent time working abroad or who are based in the UK but still trade with the world this book is a must read for any small business owner who would like to take their business global but is worried about what this would mean for tax
