Vichy France Old Guard And New Order 1940 1944 Morningside :

Vichy France Robert O. Paxton, 2001 A disturbing account of the Vichy period demonstrating how in the interests of stability French national feeling favored collaboration with the German controlled regime *Vichy France* Robert O. Paxton, 2015-02-18 Uncompromising often startling meticulously documented this book is an account of the government and the governed of collaborationist France Basing his work on captured German archives and contemporary materials rather than on self serving postwar memoirs or war trial testimony Professor Paxton maps out the complex nature of the ill famed Vichy government showing that it in fact enjoyed mass participation The majority of the Frenchmen in 1940 feared social disorder as the worse imaginable evil and rallied to support the State thereby bringing about the betrayal of the Nation as a whole *Pétain* Nicholas Atkin, 2014-06-17 Pétain 1856 1951 remains one of the most controversial figures in the history of modern France He was saviour of his country at Verdun in 1916 during the First World War but tried for treason as head of state of the collaborationist Vichy government after World War II Were his actions those of a traitor or a patriot facing the total disintegration of his country In exploring the actions of this controversial figure Nicholas Atkin also reveals the divisions and uncertainties of France herself

Reproductive Citizens Nimisha Barton, 2020-09-15 In the familiar tale of mass migration to France from 1880 onward we know very little about the hundreds of thousands of women who formed a critical part of those migration waves In *Reproductive Citizens* Nimisha Barton argues that their relative absence in the historical record hints at a larger and more problematic oversight the role of sex and gender in shaping the experiences of migrants to France before the Second World War Barton s compelling history of social citizenship demonstrates how through the routine application of social policies state and social actors worked separately toward a shared goal repopulating France with immigrant families Filled with voices gleaned from census reports municipal statistics naturalization dossiers court cases police files and social worker registers *Reproductive Citizens* shows how France welcomed foreign born men and women mobilizing naturalization family law social policy and welfare assistance to ensure they would procreate bearing French assimilated children Immigrants often embraced these policies because they too stood to gain from pensions family allowances unemployment benefits and French nationality By striking this bargain they were also guaranteed safety and stability on a tumultuous continent Barton concludes that in return for generous social provisions and refuge in dark times immigrants joined the French nation through marriage and reproduction breadwinning and child rearing in short through families and family making which made them more French than even formal citizenship status could

Wine and War Donald Kladstrup, Petie Kladstrup, 2002-06-18 The remarkable untold story of France s courageous clever vintners who protected and rescued the country s most treasured commodity from German plunder during World War II To be a Frenchman means to fight for your country and its wine Claude Terrail owner Restaurant La Tour d Argent In 1940 France fell to the Nazis and almost immediately the German army began a campaign of pillaging one of the assets the French hold

most dear their wine Like others in the French Resistance winemakers mobilized to oppose their occupiers but the tale of their extraordinary efforts has remained largely unknown until now This is the thrilling and harrowing story of the French wine producers who undertook ingenious daring measures to save their cherished crops and bottles as the Germans closed in on them Wine and War illuminates a compelling little known chapter of history and stands as a tribute to extraordinary individuals who waged a battle that in a very real way saved the spirit of France *War, Exile, Justice, and Everyday Life, 1936-1946* Sandra Ott,2011 Collection of essays primarily by historians of the Basque Country France Spain and Germany on the themes of war exile justice and everyday life 1936 1946 **Franklin D.
