Journey into Loving You Lisa McTavis LMSW, 2013-07-30 Most of us have been taught a lie A lie that says everything which is good and worthwhile is outside of you and you must find it there externally The lie says that all acceptance validation love approval and joy must be given to you by someone else and found somewhere else You are not alone in accepting this lie the majority of the world population also shares this belief in this lie with you The lie is it is not outside of you or with anyone else or somewhere else The truth is all the love acceptance validation approval and joy is waiting for you within You can fulfill you validating yourself through acceptance love approval and joy and do not have to look outside yourself for it An overflowing source is ready for you to tap into This can empower you create confidence the ability to be in any situation with any type of person and you will no longer need them to empower you because you were already doing it for yourself When you do receive love acceptance validation approval or joy from another it becomes a sharing experience that is not required to meet a need
