Repairing the Missional Breach Kevin Blackwell,2024-04-02 Making disciples is the primary calling of the church however in the past decades of American evangelicalism there has been a breach of Christ s Great Commission as found in Matt 28 19 20 Much of this failure can be attributed to the doctrine and practice within three modern church movements The book offers a history and critique of modern American evangelical church movements including the Church Growth Emergent Church and Missional Church movements Each of these movements did not result in disciple making multiplication In this book you will find an analysis of disciple making in these movements as compared to the methods and model of Jesus Informed by these critiques formative ministry adjustments are presented as a faithful path for future missional approaches

sexual physical psychological and emotional abuse he became consumed by sin Immorality idolatry pride bitterness hatred anger and drugs and alcohol came incredibly close to destroying his life Then one day everything changed In the time it took to see death coming and not even have the chance to take a breath never mind pray for forgiveness the man was spared Awakened to how close he d come to losing everything including God he was born again into a new life and a new role as a disciple In His mercy God saved this man delivered him from self destruction and the surety of hell all through His amazing Grace A testament to the power and work of God the Holy Spirit Walking the Way reveals the importance of faith and trust in the only true God of the Bible Learn how forgiveness begins the healing process and how God s Word is truly the only way to renew your mind See how effectual prayer done in awe of the amazing power of God and His love is sustenance for the disciple confirming one s belief while granting the ability and strength to face life s trials with confidence Before it s too late consider your life your thoughts your actions Remember what s at risk separation from Him forever Then ask yourself Am I born of the Spirit

Hearers and Doers Kevin J. Vanhoozer,2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In **Hearers and Doers** Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples
