Walt Disney Biography :

Walt Disney Neal Gabler, 2007 His classic films illuminated everyone's childhood The theme parks are on every tourist itinerary The movie empire is one of Hollywood's biggest players Walt Disney is one of the few men who unquestionably changed our culture Neal Gabler is the first author to have had complete access to the Disney Archives enabling him to write the definitive biography of this remarkable man It's a long book as Disney's achievement was so huge but a truly compulsive read He shows how Disney built up his fledgling studio with short cartoons featuring Mickey Mouse and Donald Duck before quite simply inventing animation with full length films like Snow White Pinocchio and Dumbo An astounding amount of work went into a film like Fantasia with whole crews working round the clock on a sequence a couple of minutes long only for the obsessively perfectionist Disney to order it redone all his profligacy and expansionism meant it was brother and business partner who kept the company solvent Disney then moved beyond animation with huge successes like Mary Poppins and mixed utopianism and merchandising to
