Harper,2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity The Way of the Wild Heart John Eldredge,2006-11-12 This is a book about how a boy and a man becomes a man It s a guide to the process of masculine initiation that ancient path every boy and man must take if they would become the man they long to be The path whereby they come to know they are a man and are able to live and love from a deep centered strength We live in a time where most men and boys are essentially fatherless Whatever their circumstance they have no man actually taking them through the many adventures trials battles and experiences they need to shape a masculine heart within them They find themselves on their own to figure life out and that is a lonely place to be Their fears anger boredom and their many addictions all come out of this fatherless place within them a fundamental uncertainty in the core of their being But there is a way We aren t meant to figure life out on our own says John Eldredge God wants to father us In *The Way of the Wild Heart* Eldredge reveals how God comes to a man and takes him on the masculine journey how nearly all the events of a man s life can come together to provide the initiation he never received And how parents can offer that initiation to their sons Whatever your age may be your Father is ready to take up your journey For you are his son Wild at Heart Multi-Media Facilitator's Kit John Eldredge,Thomas Nelson Publishers,2003-01-21 Fierce Dangerous Wild John Eldredge s bestselling book *Wild at Heart* over 500 000 copies in print has already launched thousands of men on a phenomenal life changing adventure with God Now his new multi media *Wild at Heart* video series will be the catalyst study groups will want to use to help men discover how God defines authentic masculinity In this eight part series men are invited to join John and his band of
