Lessons for the Social Studies Classroom M. Lazarus, S. Cohen, K. Lambert, R. E, 2013-03-12 The idea for this book came while I was observing a student teacher and a master teacher I realized that most student teachers while in training do not have the opportunity to think creatively about their lessons I also noticed that teachers new to the field of teaching suffer the same fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are one of the most important tools for a teacher and more important for the novice teacher I believe that during student teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans improving upon them and making them their own Most first year teachers over teach or under teach and both types still miss the marks on the standardized test These lesson plans will give the new teacher a place to begin

Holy Envy Barbara Brown Taylor, 2019-03-30 The renowned Christian preacher and New York Times bestselling author of *An Altar in the World* recounts her moving discoveries of finding the sacred in unexpected places while teaching world religions to undergraduates in Baptist saturated rural Georgia revealing how God delights in confounding our expectations Christians are taught that God is everywhere a tenet that is central to Barbara Brown Taylor's life and faith In *Holy Envy* she continues her spiritual journey contemplating the myriad ways she encountered God while exploring other faiths with her students in the classroom and on field trips to diverse places of worship Both she and her students ponder how the knowledge and insights they have gained raise important questions about belief and explore how different practices relate to their own faith Inspired by this intellectual and spiritual quest Barbara turns once again to the Bible for guidance to see what secrets lay buried there Throughout *Holy Envy* Barbara weaves together stories from her classroom with reflections on how her own spiritual journey has been challenged and renewed by connecting with people of other traditions and by meeting God in them At the heart of her odyssey is her trust that it is God who pushes her beyond her comfortable boundaries and calls us to disown our privatized versions of the divine a change that ultimately deepens her relationship with both the world and with God and ours
