adversities and negative situations in life Such adversities in life may include obesity The challenges to the body caused by obesity are great The challenges vary from being simple day to day difficulties to more complex and serious ones that could be debilitating life threatening and even fatal health conditions This book explains both the cause and the challenges of obesity This book also gives you the necessary information and resources you need to succeed in life by losing weight and keeping it off as well as how to live a happy healthy and successful life **Super-Charged Learning** Richard J.

Giordano,2014-12-08 Anyone wishing to improve his her learning will benefit from Super Charged Learning but it is especially intended for parents of K 12 children What parents know about their children is what should make them critical players for their children Knowing how to apply life experiences to learning is what Super Charged Learning is about Parents know their children s experiences and can show them how to use these experiences to learn Super Charged Learning uses the skill sets that elite athletes use to be champions Now parents can show their children how to use these to be champions in their academics Athletes want to be bigger faster stronger Make your child that kind of learner learn bigger quantities of information learn faster hold onto what s learned longer **The Big Picture** Ben Carson,Zondervan Publishing,1999-01-26

A renowned African American neurosurgeon offers a rich perspective on the things that matter most Gifted Hands Ben Carson s successful autobiography inspired readers through the story of an inner city kid with poor grades and little motivation who became director of pediatric neurosurgery at Johns Hopkins University Hospital by the age of thirty three In his follow up motivational book Think Big Ben shared his life philosophy and a down to earth strategy that anyone could follow to achieve success Now in The Big Picture Dr Carson offers readers an up close look at a professional surgeon s life and his unique perspective on priorities race society success and living out a life of faith in a complex world A busy man who must make life and death decisions every day Ben Carson has learned about the importance of priorities A successful and compassionate man at the top of the medical profession he demonstrates with his life accomplishments what can be done when people live life according to solid biblical values Noted for his groundbreaking work in the technologically complex field of modern neurosurgery Dr Carson offers a surprisingly simple formula for health happiness and living wisely A black man who has reached the top of a white coated world Ben Carson offers a unique philosophy on achieving success improving relations between the races what medical breakthroughs mean to all of us and why we must work for positive change in our troubled society It may be just one man s perspective But this noted surgeon s anecdotal page turning book can help us all get a better grasp on what s really important in life and how we can all make a difference *Hope* Charlene Moorer, NCC

LPC,2022-08-25 Hope Heart of Peaceful Endurance A Godly Resilience In our ever evolving world where nefarious happenings are occurring regularly and positivity seems to be obscure we all seem to be searching for hope It is the possession we need and perhaps long for to encourage every passing day When things look impossible or in despair we have to build up our hope and lean on our faith Hope is a skill In this easy to read yet powerful book Charlene takes you through

five practical steps on employing your hope skills There is exploration through subjective and dictionary definitions of hope before introducing the steps of this indistinct skill In addition we will journey through ways that hope can be stolen and conversely how we can sustain or reinforce our hope through action even during trying times We are more resilient than we give ourselves credit By using Bible verses real life narratives constructive levity and pragmatic ingenuity the goal is to convey to the reader how to identify and utilize the hope steps how to prevent the enemy from stealing your hope why you have to watch your words or words spoken over you what the Bible has to say about hope how to look for the butterfly moments and pursue resilience how antagonistic feelings can affect your hope why hope is the link between faith and wellness where our hope comes from why you are worth it and being kind to yourself During tough times hope is not the easiest to hold on to However it is the best gift you can give yourself Be encouraged and allow God to minister to you Happy reading

God Is in the Crazy Dr. Chet Weld, 2023-01-19 It s been said that life is like a dark night in a cheap hotel The world is just plain crazy That makes miracles angel appearances and answers to prayer even more amazing God Is in the Crazy invites the reader to witness how God can suspend laws of time and space in order to save us from dangers and bestow blessings If you ve felt broken and desperate forsaken and faithless the many miracles of this book will give you hope After the author s journey through drug and alcohol abuse and his seasons in what the Bible calls the waste howling wilderness of life s trials and heartaches his hope in God has never stopped growing This book will help you find refuge and strength during similar times in the wilderness And while God s ways are often inscrutable you ll gain insights into why faith in Him is never in vain You ll learn how God draws straight with crooked lines the advantages of downward mobility and how the wilderness equals power Along with reflections on ways to receive deep peace God Is in the Crazy will help you walk more confidently into your fulfilling destiny

Felimanuel Series Emmanuel Gbireh, 2012 It is chiefly through books that we enjoy intercourse with superior minds In the best books great men talk to us give us their most precious thoughts and pour their souls into ours God be thanked for books They are the voices of the distant and the dead and make us heirs of the spiritual life of past ages Books are true levelers They give to all who will faithfully use them the spiritual presence of the best and greatest of our race William Ellery Channing Some of the things you will discover in Felimanuel Series The Magical Secret to Success in English Language Essay Writing for Junior and Senior High Schools Volume 1 With Bonus Success Secrets The book is comprehensively logically and coherently written and the language used is also easy to understand hence little or no further explanation is needed The book teaches how to choose examination questions and answer them without sweat Sample outlines plans and sample essays have been written to guide pupils and students The bonus success secrets will help pupils and students to pass in all seemingly difficult subjects like mathematics and science The bonus success secrets will also guide pupils and students towards the attainment of greater success in life The book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day to day life of whoever uses it

faithfully In writing this book on English Language essay writing I decided to move away from the traditional way of some authors flooding their English Language essay writing books with so many sample essays based on my experiences as an English teacher some years back Many pupils students have the habit of memorizing written essays found in books and reproduce them during examinations class exercises or when given project home work when they see that the question being asked is similar to the answered one they came across I hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he she would not have the opportunity to think and plan on his her own before writing a script with originality I stand to be corrected if I am mistaken It is in line with this that I have given only single sample essays per essay topic treated with more suggested outlines plans Most people often fail to plan their lives and this usually have disastrous effects on them Also in writing examination most candidates fail to plan their essays before answering selected questions As the old adage says If you fail to plan you plan to fail It is based on the above that in writing this book I dedicated the first chapter to the basics of essay writing Below is an excerpt of chapter one of the book After highlighting on the basics of essay writing I went ahead to discuss what paragraphs are and how they can be used in our daily writings This is followed by the use of punctuation marks Here again I have given a comprehensive write up as to how punctuation marks can be used to enrich our written works Other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement After a comprehensive logical and coherent treatment of each topic I followed up with sample questions outlines plans and essays These are only to serve as a guide to users of the book I will like to take this opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with English language but with all other subjects that they deem it fit to apply Some people may not see the usefulness of the outline plan but it helps the pupil study

Believing Minds. Fernando José Walsh, 2025-10-09 Is science truly the enemy of faith Can a practicing scientist believe in God Is there an inevitable clash between scientific knowledge and the Bible From Copernicus 1473 1543 to contemporary researchers 200 highly distinguished scientists provide compelling testimony that science clearly affirms a Creator one perfectly consistent with the God revealed in the Scriptures This book delves into the lives and powerful convictions of these titans of science who were also giants of faith The culmination of years of deep investigation this book uncovers a profound truth often obscured by media influence the supposed incompatibility between science and faith is a fallacy Instead it reveals that modern science was born and accelerated by thinkers who based their research on the foundational belief in a wisely designed universe They saw nature's laws as the imprint of a Supreme Creator who empowered humanity created in His image to discover these laws for universal good Explore the inspiring journeys remarkable achievements and deep spiritual convictions of legendary figures like Newton Galileo Pascal Morse Pasteur

Edison Marconi and Einstein Featured within are over 30 Nobel Prize winners in crucial scientific fields alongside astronauts whose perspectives were transformed by their experiences Grounded in extensive meticulous research the book champions its thesis with undeniable clarity Science demonstrates that God exists Derek Barton 1918 1998 Nobel Laureate in Chemistry 1969 **Gird Your Mind** Uchenna Egbuchulam,2014-09-24 There is a saying that youths are the leaders of tomorrow but the reality of that statement depends on how the youths train themselves and how they choose to live their lives while growing up The decisions you take as a youth will certainly go a long way in influencing how you end up in the long run Gird Your Mind is a motivational book directed at teaching youths all over the world the fear of God and the need to serve him in the days of their youth The author having associated himself with worldly things in the past and now under the influence of the Holy Spirit was able to point out certain things you should avoid and what to do as a youth if you want to have the bright future that you desire Gird Your Mind is a must read not just for youths but for everyone **Surviving Society**,2021-02-15 Surviving Society is your mini guide to changing the way you think loving yourself and setting goals for your life **Build a Meaningful Future** Kehinde Adeniran,2014-12-08 Building a meaningful future is your sole responsibility No matter what you want to build personal life business ministry or the nation it must be done inside out True and lasting meaning does not come from the without but it flows from the within out Discover your true purpose develop and deliver it Serve humanity and lead faithfully Dream dare and do diligently and you will build a meaningful life Now is the best time to build Life is about timing this is your moment seize it and maximize your potential Partner with people of like passion synergy and interdependence is a great key to multiplier effect on your life results A fulfilling future is full of joy and happiness peace and prosperity Pay the prize now today is the future Build faith exhibit love and live through character The things that will advance and sustain you are not really difficult they are simple and basic A meaningful future dont just arrive it takes process and consistent efforts Our Nations needs true leaders those who knows the way goes the way and shows the way Nation building rest mostly on the shoulders of people sitting in front in government and politics yet every man should govern and build his own home through purpose common values and shared culture Every man should take ownership of his life and be responsible to build a meaningful future Remember if it is not purposeful it is not meaningful celebrate your future What Makes People Rich and Nations Powerful , Medical Pioneers Debbie Foy,2011-01-15 Highlights our medical achievements and the lives of key figures that helped it all come to fruition *You Don'T Need Talent to Succeed* Tim Corbin,2010-07-14 You Dont Need Talent to Succeed But Everything Else Counts shines the spotlight on your abilitiesmy abilitiesanyones abilities We all have the ability to be kind to strive for excellence and to keep promises Were able to be on time for appointments willing to learn new things and share The list of our abilities is as long as a giraffes leg and this realization isnt rocket science Yet the phenomenon of discovering you already have what it takes to succeed is as potent as any fueled rocket at blast off Hector Hernandez offers eight simple yet powerful solutions that will unlock your abilities to succeed Reaching
