Detailed, accessible and thoroughly engaging, it uncovers the many ways in which teachers can break out of familiar constraints in order to influence school and classroom practice, education policy and school reform. Cage busting is concrete, precise and practical, writes Frederick M. Hess. This invaluable book helps teachers understand why and how to revisit their assumptions and enables them to have greater impacts upon their schools and beyond. Based on interviews with hundreds of teachers, teacher advocates, union leaders and others, Hess identifies the challenges teachers face, seeks concrete and workable solutions and offers recommendations to put those solutions in place. A uniquely practical and inspiring book, *The Cage Busting Teacher* is for educators who want to shape the schools and systems in which they work. **Building Classroom Discipline** C. M.
