View from the Rollercoaster: Unsteady Essays & Bipolar Bylines Tracy Ebbert Revalee, 2011-06-01 King Solomon said a cheerful heart is good medicine So if you begin to operate on the assumption that the Bible is not just another dust magnet an assumption that puts you at odds with most of the world and then you find out you're mentally ill a fact that puts you at odds with yourself and the rest of the world what are you going to do Cry Or figure it out In the life of a bipolar person judgment is a matter of brain chemical roulette emotions are not to be trusted and reason takes the last train home Relationships rise and fall with the mood swings It's a monster and Tracy Revalee has been battling it for decades If you get in the rollercoaster car with her you'll get to growl back at a dog defy your ghosts and try to interview a pig Like any good journalist she asks the hard questions Where did I get that car What is the difference between hay and straw Why am I avoiding the mall At the end of the day even if you don't know all the answers this book will point you toward a larger truth That's what makes the journey whether it's up down or sideways a joyful one If you or someone you know lives with mental illness this scenery may be familiar mania job hopping broken relationships and breakdowns In this book dated chapters will guide the reader through a journey of time place and experience to the healing shelter of a due by the sea It's a non linear trip The subtitle *Unsteady Essays and Bipolar Bylines* describes a structure that includes brief essays on a jewel of a neighborhood a dangerous dog and a nameless pig For starters Employing song and narrative the author is a peaceful guide for a bumpy ride *Bipolar and the Art of Roller-coaster Riding* Madeleine Kelly, 2005 *When the Roller Coaster Breaks Down* Christina Marie Bailey, 2009-02 From the author of *Trapped on a Runaway Coaster and Ride at Your Own Risk* comes the latest in the series *When the Roller Coaster Breaks Down Life as Seen by the Unstable Mind* poetry inspired by the ups and downs of bipolar disorder Like its predecessor there are poems that represent the darkness of depression and a look at the lighter side of life It is the story of life with the disorder conveyed through poetry Its refreshing honesty lends to it a candid look at the good and negative emotions the depression and manic episodes stir up Read and enjoy **Living on a Roller Coaster** James O.
