love After evaluating different theories of purity for the interpretation of the Fourth Gospel Rogan explores John the Baptist as an agent of ritual purification Jesus as the agent of moral purification and the disciples of Jesus as ones who are or are not made morally pure by Jesus While purity is not one of the Fourth Gospel s primary focuses Rogan stresses that the concept figures into some of its most significant claims about Christology the doctrine of salvation and ethics Through purity the Fourth Gospel guards continuity with the past while placing surprising conditions on participation in Israel s future
