Blake and the Failure of Prophecy Lucy Cogan,2021-05-24 This monograph reorients discussion of Blake s prophetic mode revealing it to be not a system in any formal sense but a dynamic human response to an era of momentous historical change when the future Blake had foreseen and the reality he was faced with could not be reconciled At every stage Blake s writing confronts the central problem of all politically minded literature how texts can become action Yet he presents us with no single or indeed conclusive answer to this question and in this sense it can be said that he fails Blake however never stopped searching for a way that prophecy might be made to live up to its promise in the present The twentieth century hermeneuticist Paul Ricoeur shared with Blake a preoccupation with the relationship between time text and action Ricoeur s hermeneutics thus provide a fresh theoretical framework through which to analyse Blake s attempts to fulfil his prophetic purpose
