DATUM project Dr Andrew Shenton examines strategies for analysing existing documents The first to focus entirely on the needs of the information and communications community this handbook guides the would be researcher through the variety of possibilities open to them under the heading research and provides students with the confidence to embark on their dissertations The focus here is on the doing and although the philosophy and theory of research is explored to provide context this is essentially a practical exploration of the whole research process with each chapter fully supported by examples and exercises tried and tested over a whole teaching career Readership Students of information and communications studies and archives and records management and practitioners beginning a piece of research

Intermedial Theatre Mark Crossley,2019-05-01 This rigorous yet accessible collection demystifies the principles of intermediality whilst examining its place in 21st century theatrical practice Bringing together chapters and case studies from top thinkers in the field this book clarifies the key theoretical ideas and practical impacts of intermediality while encouraging students to experiment with it in their own practical work Offering an engaging insight into one of the most dominant trends in contemporary theatre this is essential reading for students of theatre performance and media studies Exploring Play for Early Childhood Studies Mandy Andrews,2012-09-07 Winner of the 2013 Nursery World Awards This is a key text for all those studying for degrees and foundation degrees in early childhood early years and related disciplines and for candidates on EYPS pathways It takes the reader through a detailed exploration of the nature of play examining the features and the concepts of play Guidance on the observation of children s play is included and the text encourages students to appreciate the value of play in development and in socialisation Children s rights and the ownership of play are also covered With interactive activities and case studies throughout the text helps students to arrive at an understanding of their own practice in relation to play About the Early Years series This series has been designed to support students of Early Years Early Childhood Studies and related disciplines in popular modules of their course Each text takes a focused look at a specific topic and approaches it in an accessible and user friendly way Features have been developed to help readers engage with the text and understand the subject from a number of different viewpoints Activities pose questions to prompt thought and discussion and Theory Focus boxes examine essential theory close up for better understanding This series is also applicable to EYPS candidates on all pathways Other titles in the series are Early Childhood Studies Childhood in Society for Early Childhood Studies and Child Observation for the Early Years **Creative Business Education** Philip Powell,Bhabani Shankar Nayak,2022-09-28 This volume critically analyses the conceptual contours of pedagogical transformations in the field of creative business education It calls for an integrated and ethnographic approach to understand to analyse and to innovate creative curricula that is different from traditional business and management educations and its compliant culture The book argues for a pluriversal vision based on social intelligence critical thinking inclusivity and creativity resulting in a holistic pedagogy that understands the social needs of people and of the planet The critical reflections on everyday realities of life is

central to this intercultural pedagogic approach to understanding and explaining different forms of contemporary crisis The book brings together interdisciplinary academic practitioners and their praxis with different philosophical orientations within a single ethnographic and theoretical narrative to reclaim global citizenship rights in the age of artificial intelligence democratic deficit hyperreality and alienation In this way the volume breaks away from the narrow silo of disciplinary boundaries to outline the pedagogical praxis of creative and critical business education that challenges existing knowledge power and institutions while offering alternative pedagogic approaches to learning teaching and research

The Routledge Handbook of Heritage and the Law Lucas Lixinski, Lucie K. Morisset, 2024-02-14 The Routledge Handbook of Heritage and the Law sheds light on the relationship between the two fields and analyses how the law shapes heritage and heritage practice in both expected and unexpected ways Including contributions from 41 authors working across a range of jurisdictions the volume analyses the law as a transnational phenomenon and uses international and comparative legal methodologies to distil lessons for broad application Demonstrating that the law is fundamentally a language of power and contestation the Handbook shows how this impacts our views of heritage It also shows that to understand the ways in which the law impacts key aspects of heritage practice it is important to tap into the possibilities of heritage as points of convergence of identity struggles over resources and the distribution of power Framing heritage as a driver for legal engagement rather than a passive regulatory object the book first reviews the legal fields or mechanisms that can shape action in the heritage field then questions how these enable authority and give power to those who seize heritage and finally envisions how the discussion between heritage and the law can lay new grounds in both those fields Lifting the mists that often render the law opaque in heritage studies the Handbook showcases the law as a medium through which the culture and the power of heritage are expressed and might be shared The Routledge Handbook of Heritage and the Law presents a view of the law that is aimed at those who wish to reflect on how law has changed or could change what heritage is and how it can support social cultural local or other development It will be of interest to scholars students policymakers and practitioners working in the areas of museum studies heritage studies and urban studies as well as in cultural intervention and planning Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Chapter 34 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons CC BY 4.0 license The Routledge Handbook of Heritage and the Law Lucas Lixinski Lucie [taylorfrancis.com](http://www.taylorfrancis.com)
