**Summary of Dream Big and Win** SellWave Audio, 2025-11-10 This empowering book shows you how to dream boldly and achieve meaningful success in both business and life. Liz Elting, entrepreneur, philanthropist, and one of Forbes' Richest Self-Made Women, opens up about her journey for the first time. She shares how a simple idea in an NYU dorm room grew into TransPerfect, a billion-dollar global company that transformed the world of translation and language services. In *Dream Big and Win*, Elting goes beyond motivational slogans. She offers practical, relatable guidance that you can start applying right away. Her approach shows that success isn't measured by power or titles alone. It's about expanding your vision, serving a purpose bigger than yourself, and taking consistent action. Through her honest and often funny reflections, she shows why doing matters more than dreaming and why real progress comes from persistence, courage, and the willingness to push past limitations. This book is for anyone who wants to turn passion into purpose, build something meaningful, and reach their fullest potential. Elting's story proves that you don't have to come from privilege or perfection to make a global impact; you just have to be willing to start, stay committed, and believe that your ideas matter.
