Unoffendable SellWave Audio,2025-11-14 Unoffendable offers a fresh countercultural approach to handling anger frustration and the constant pressures of modern life In a time when people are quick to react and slow to listen the book suggests something radical let go of the belief that you are entitled to be offended Through a warm conversational tone Brant Hansen shows how releasing the need to hold onto irritation or self righteous anger leads to a lighter more joyful way of living Instead of feeding the cycle of outrage he encourages a mindset shaped by humility gratitude and a clear understanding of human nature Hansen explains that much of the stress people experience comes from unrealistic expectations and the belief that their anger is justified By surrendering that supposed right you free yourself from emotional burdens that were never meant to be carried The book offers practical guidance on adjusting expectations extending forgiveness and choosing compassion in situations that would normally spark offense With added chapters reflecting what Hansen has learned since the original edition this updated version brings even deeper insight into forgiveness and emotional freedom Designed for simple daily reading the short chapters gently challenge long held habits while inviting readers into a more peaceful Christ centered way of life Hansen s humor and honesty make the message approachable reminding us that joy becomes more accessible when we stop clinging to indignation and instead choose grace Unoffendable points toward a life marked by calmness generosity and the kind of spiritual flourishing God intends a life no longer controlled by offense but guided by steady gratitude

Wright's Simply Jesus* Everest Media,2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 When Jesus arrived in Jerusalem he was not the king that the crowd had expected He was not like the monarchs of old who sat on their jeweled and ivory thrones dispensing their justice and wisdom He was weeping for the dream that was dying and for the sword that would pierce his supporters to the soul 2 The question of who Jesus actually was is important for Christians It is the question of what he did what he said and what he meant It is by implication the question that any grown-up Christian faith must address 3 I realized that I could no longer put off confronting the hard questions about Jesus I was preaching regularly leading Confirmation classes and organizing worship I was finishing my doctorate and teaching undergraduates I was facing the challenges of real life on several levels 4 The reason Jesus wasn't the king people wanted him to be is that he was the true king but they had become used to the ordinary shabby second-rate sort He was coming to redefine kingship around his own work mission and fate *The History of Redemption, Comprising a Summary of the History of the Jews Up*
