UFO bases and encounters with non human beings I then found myself venturing into mysterious lands shrouded in secrecy Places where barriers and gateways intertwined where haunted spaces lingered and temporal distortions shifted reality I encountered apparitions witnessed unexplainable events and had enigmatic experiences with UFOs UAPs which I began to view as vision quests As my investigation progressed I uncovered hidden secrets about our world first hand accounts of untold tales from the lands where reality blends with the unknown the places where the mirror has cracks **Obituaries in the Performing Arts, 2019** Harris M.
