

# THE WHEELWRIGHT'S SHOP

"This book may become a classic. . . It is Mr Sturt's masterpiece. . . A very frank history of a small, two-centuries-old business; a moving chronicle of the working lives of individual craftsmen. . . A delightfully urbane and informing book, full of valuable material for the social historian and a sheer pleasure to read, if only for the sake of its clear

and rich polished sentences." (*The New Statesman*.) "The book is a notable accomplishment in several ways. It shows in the author a combination of the gifts of the handicraftsman, the actual maker of things, with the powers of a writer, in a way not common in English literature." (*The Times Literary Supplement*.)
