The War Poems Of Siegfried Sassoon:

The War Poems of Siegfried Sassoon Siegfried Sassoon, 2019-11-25 In *The War Poems of Siegfried Sassoon* the author presents a harrowing and profound exploration of the brutal realities of World War I through his vivid and evocative verse. This collection captures the visceral experience of soldiers on the front lines infused with raw emotion and stark imagery often oscillating between patriotic fervor and profound disillusionment. Sassoon's literary style marries the lyrical with the brutal employing a formal structure that contrasts sharply with the chaos and despair he depicts drawing readers into an intense examination of the psychological toll of war against the backdrop of early 20th century literature marked by a shift away from romantic ideals toward a more modernist sensibility. Siegfried Sassoon a soldier himself was deeply affected by his experiences in the trenches having initially embraced the romantic ideals of warfare before being confronted with its horrors. His dissociation from the glorified narrative of battle and his subsequent anti-war sentiments are apparent in these poems which reveal his journey from enthusiastic enlistment to outspoken condemnation of the conflict. Sassoon's background including his relationships with contemporaries such as Wilfred Owen enhances the depth and nuance of his critique of militarism and its impact on human life. This collection is essential reading for anyone interested in the intersection of literature and history as it offers a poignant lyrical examination of war's unvarnished truths. Readers will find Sassoon's craft not only illuminates the personal anguish of conflict but also serves as a powerful testament to the resilience of the human spirit amidst devastation. *The War Poems of Siegfried Sassoon* stands as a critical work that enriches our understanding of both the artistic and human dimensions of the Great War. Siegfried Sassoon Patrick Campbell, 2007-08-13 Though Siegfried Sassoon would argue the point throughout his life most critics regard his war poetry written during World War I as the best of his writings. Like many of his artistic contemporaries Sassoon embraced the Great War for Civilization with great fervor and it was this passion that he brought to his earliest writings about the war. Absolution his first war poem published in 1915 summed up his feelings fighting for our freedom we are free. Fighting on the frontlines Sassoon soon came to the conviction that his war for civilization was anything but civilized. And thus his writings took on a new tone courageously.

denouncing a conflict that was no longer about defense and liberation but was for aggression and conquest Through primary documents and extensive research the current work provides critical analyses of Sassoon s war poetry Detailed examinations of each of the so called trench poems show how the poet and his poetry were transformed through his wartime experiences and give the rationale for the critical consensus that the Sassoon canon is among the most significant in the literature of modern warfare

War Poems Siegfried Sassoon,2018-05-05 The poems gathered here which trace

the course of the First World War are an extraordinary testimony to the almost unimaginable experiences of a combatant in that bitter conflict Moving from the patriotic optimism of the first few poems fighting for our freedom we are free to the anguish and anger of the later work where hope with furtive eyes and grappling fists Flounders in mud there comes a point when the reality of trench warfare and its aftershocks move beyond comprehension Sassoon knows this and it becomes a powerful element in his art As a book the images have a cumulative relentlessness that make it almost impossible to read more than a few poems in one sitting

Siegfried Sassoon - The War Poems Siegfried Sassoon, 2020-01-29 Siegfried Loraine Sassoon was born on 8th September 1886 Sassoon was educated at the New Beacon School Sevenoaks Kent then Marlborough College Wiltshire and finally at Clare College Cambridge where from 1905 to 1907 he read history He went down from Cambridge without a degree and spent the next few years indulging himself hunting playing cricket and writing verse However motivated by patriotism Sassoon joined the Sussex Yeomanry of the British Army as the threat of war escalated into open conflict His early poems

exhibit a Romantic dilettantish sweetness but his war poetry moves to an increasingly discordant beat stridently conveying the ugly truths of the trenches to an audience hitherto placated by jingoistic and patriotic propaganda Sassoon's periods of duty on the Western Front were marked by near suicidal missions including the single handed capture of a German trench. Armed with grenades he scattered sixty German soldiers. In 1919 took up a post as literary editor of the socialist Daily Herald. Here he was responsible for employing several eminent reviewers including E M Forster and Charlotte Mew. Sassoon also commissioned new material from the likes of Arnold Bennett and Osbert Sitwell. Sassoon was now in 1928 preparing to take a new direction by branching out into prose with *Memoirs of a Fox Hunting Man*. This anonymously published first volume of a fictionalised autobiography was acclaimed as a classic bringing its author fame as a humorous writer. Other volumes including his own autobiography based on his youth and early manhood across three volumes followed. In his last years Sassoon converted to Roman Catholicism and was admitted to the faith at Downside Abbey in Somerset. Siegfried Loraine Sassoon CBE MC died from stomach cancer on 1st September 1967 a week before his 81st birthday. **Collected Poems, 1908-1956** Siegfried Sassoon, 1986-01-01. Sassoon's fame as a novelist and autobiographer and the success of his posthumously published *Diaries* have somewhat obscured his achievement as a poet. Apart from the famous *War Poems* of 1919 which firmly established his reputation he published eight volumes of verse during his lifetime. This collected edition represents his own choice of the poems he wished to preserve. It was first published in 1947 and subsequently enlarged to include the late poems in *Sequences*. **Great War Literature Notes on Siegfried Sassoon** Wendy Lawrance, 2013

The War Poems Siegfried Sassoon, 2018-08-05. The *War Poems* Siegfried Sassoon. No poetry has touched readers' hearts more deeply than the soldier poets of the First World War. Published to commemorate the centenary of 1914 this stunning set of books with specially commissioned covers by leading print makers is an essential gathering of our most beloved war poets introduced by leading poets and biographers of our present day. In later years Sir Rupert Hart Davis writes in his Introduction when Siegfried Sassoon had written much else in prose and verse he was annoyed at always being referred to simply as a war poet but it was the Great War that turned him into a poet of international fame and I feel sure that his ghost will forgive me for thus bringing together these magnificently scarifying poems. The poems are arranged as far as possible in the order of their composition and the reader can compare them with the poet's movements by means of the Biographical Table which is included. Fourteen of the poems in this volume were published for the first time in the 1983 edition of this work. Sassoon's stature is now assured and recognised. This volume contains the poetry on which his reputation rests. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic
