The White House Boys An American Tragedy:

The White House Boys Roger Dean Kiser, 2010-01-01 Hidden far from sight deep in the thick underbrush of the North Florida woods are the ghostly graves of more than thirty unidentified bodies some of which are thought to be children who were beaten to death at the old Florida Industrial School for Boys at Marianna It is suspected that many more bodies will be found in the fields and swamplands surrounding the institution Investigations into the unmarked graves have compelled many grown men to come forward and share their stories of the abuses they endured and the atrocities they witnessed in the 1950s and 1960s at the institution The White House Boys An American Tragedy is the true story of the horrors recalled by Roger Dean Kiser one of the boys incarcerated at the facility in the late fifties for the crime of being a confused unwanted and wayward child In a style reminiscent of the works of Mark Twain Kiser recollects the horrifying verbal sexual and physical abuse he and other innocent young boys endured at the hands of their caretakers Questions remain unanswered and theories abound but Roger and the other White House Boys are determined to learn the truth and see justice served

White House Boys Roger Kiser, 2013-06-15 The forming of the organization which became known as THE WHITE HOUSE BOYS was formed to expose the bloody beatings molestations rapes and murder of many young boys at the former Florida Industrial School for Boys at Marianna The University of South Florida is now digging up the remains of hundreds of boys who were killed at that facility This was exposed by Roger Dean Kiser in his book titled The White House Boys An American Tragedy *The White House Boys The Screenplay* Roger Dean Kiser, 2013-10-14 Screenplay version of the autobiography the author one of many boys suffering verbal sexual and physical abuse at the hands of their caretakers tells the story of his boyhood years in the Florida Industrial School for Boys in Marianna A group of the white house boys has promised to learn the truth and see justice served **The Dozier School for Boys** Elizabeth A. Murray, PhD, 2019-09-03 Some true crimes reveal themselves in bits and pieces over time One such case is the Florida School for Boys a k a the Dozier School a place where rather than reforming the children in their care school officials tortured raped and killed them Opened in 1900 the school closed in 2011 after a Department of Justice investigation substantiated allegations of routine beatings and killings made by about 100 survivors Thus far forensic anthropologist Dr Erin Kimmerle and her team from the University of South Florida have uncovered fifty five sets of human remains Follow this story of institutional abuse the brave survivors who spoke their truth and the scientists and others who brought it to light **A Better Yesterday** Roger Dean Kiser, 2010-04 Reflects on the positive memories in the author s childhood of abuse the kind people loving animals and heart warming events that comforted him shaping him into the person he is today **Black Hibiscus** John Wharton Lowe, 2024-01-30 Contributions by Simone A James Alexander Jos Felipe Alvergue Valerie Babb Pamela Bordelon Taylor Hagood Joyce Marie Jackson Delia Malia Konzett Jane Landers John Wharton Lowe Gary Monroe Noelle Morrisette Paul Ortiz Lyrae Van Clief Stefanon Genevieve West and Belinda Wheeler The state of Florida has a rich literary and cultural
