Judd E. Hollander

The Wisdom Of Love Toward A Shared Inner Life:

The Wisdom of Love Jacob Needleman, 2005 Who can deny that our world is starved for a new understanding of love of what it means to live together and work at love and not give up What is the antidote to romantic love that all too often exhausts itself over night Might it be to join with a partner in a spiritual search Love to awaken us Body and Soul to a greater unknown Further what is the work which will sustain a love over a lifetime By searching for the sacred with our lover we might well find the divine within them Philosopher and teacher Jacob Needleman suggests love can be a reflection of our spiritual being He asserts that by the time we are living together something beyond passion is required something intentional and conscious is needed In *The Wisdom of Love* philosopher Jacob Needleman draws wisdom from myth religion philosophy and sacred poetry in an exploration of that which brings two people together in love of what love is why we need to give it and receive it and how it can be sustained beyond the passion and mystery that first draws us together **When Soul**

Appears Al McGee, 2022-03-02 After a painful confrontation with a Senior Pastor his associate the Rev Al McGee dealt with it by exclaiming the unsayable I don't believe And thus began a wrestling match with the Divine Al was struggling with God Arguing with God Contending with God And found that instead of a lightning strike he was given the grace of deeper understanding Like the Old Testament character Jacob who wrestled all night with God to wake up with a new identity Al too entered a realm of greater possibilities By having it out with God he realized God more deeply He experienced a felt shift into a surprising inner cohesion of body mind and soul For Al the protest the raised fist against heaven was the catalyst for what he calls the appearance of soul Marked by depth variety and a wealth of voices When Soul Appears will challenge readers to look at their beliefs and to ponder whether these are inspiring or restricting **Acorns: Windows High-Tide Foghat**
