Pocket Taoist Wisdom Thomas Cleary, 2019-06-18 This compact collection of Taoism's greatest masterpieces introduces its most fundamental teachings and reveals the essential spirit of Tao. From the time of its earliest sages in prehistoric China, Taoists have looked to the underlying Way of all things, the Tao, as the essential guide to life. For them, the patterns of nature revealed the answers to their deepest spiritual questions and provided the inspiration for their unique teachings. Over the centuries, Taoism has blossomed into a profound tradition with a variety of forms, all united by a single core philosophy of radical simplicity and natural living. Today, Taoism is most widely known through the Tao te Ching, yet its corpus of literature is vast, ranging from philosophical dialogues and essays to astonishing fables, legends, proverbs, and more. This compact collection of Taoism's greatest masterpieces introduces its most fundamental teachings and reveals the essential spirit of Tao. This book was previously published under the title *The Taoism Reader*. This volume includes: Tao te Ching, The foundational source of Taoist thought by the legendary Lao Tzu; Chuang tzu, Philosophical dialogues from one of Taoism's most famous sages; Huai nan tzu, Teachings from the time of the Han dynasty on affairs of state, natural science, and Taoist psychology; Wen tzu, Records of further sayings by Lao Tzu on the art of living; Tales of Inner Meaning, Fables, stories, and jokes from the Lieh tzu and others on the subtleties of Taoist philosophy; Sayings of Ancestor Lu, Teachings from Lu Yen, a seminal figure in the founding of the Complete Reality school of Taoism and master synthesizer of China's classic spiritual traditions. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work. Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life. *The Wisdom of Lao Tzu* Lin Yutang, 2019-12-29 Lao tzu says: When the highest type of men hear the Tao truth, They try hard to live in accordance with it. When the mediocre hear the Tao, They seem to be aware and yet unaware of it. When the lowest type hear of Tao, They break into loud laughter. If it were not laughed at, it would not be Tao. I am quite sure that the reaction of the majority of readers first looking into Lao tzu's book will be to laugh. I say this without any disrespect for I did that myself. The highest type of scholars end by laughing with Lao tzu at the preoccupations of the philosophers of the day. After that, Lao tzu becomes a lifelong friend.

Wisdom of the Tao Julian F. Pas, 2000-05-25 The way of the Tao is one of peace, of serenity, meditation, and inner contentment. For centuries, the followers of the Tao have drawn strength from its great wisdom, its faith in the laws of the universe, and its rare gift of turning the negative into the positive. Although the origins of Taoism lie long ago in the mists of time, its philosophy of contemplative calm is more relevant in today's busy world than ever before. Bringing the wisdom of the great Taoist thinkers into the twenty-first century, this exquisite little volume contains some of their most profound words, offering insight and advice on a wide variety of different areas. *Taoist Wisdom* Timothy Freke, 2002-05 simply gorgeous, a beautifully illustrated daily manual with one-line meditations from Lao Tzu, Chuang Tzu, Lieh Tzu, and others. Exceptional.
