Far Eastern Affairs ,2005 **Air University Library Index to Military Periodicals** ,1994 **Congressional Record** United States. Congress,1947 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The Publishers' Trade List Annual ,1985 *Far Eastern Economic Review* ,1977-10 **The Economist** ,2001 **War with China: Is It Too Late?** Lyndon H. Larouche, Jr.,2015-11-06 Oct 29 The real problem is what is seen in Obama s outrageous military provocation against China on Tuesday Oct 27 Obama is determined to launch a thermonuclear war Now what happens to us if we don t say that and campaign on that Look at the fraud of Obama s attack against China Look at his bloody paws He must be removed Under the principle of the U S Presidency he can be removed from office and if we don t do that we rapidly get into an ever more dangerous situation You can t fool around and negotiate or say No I don t believe it Don t go around and ask how to do it he must be restrained or we re all dead We must place this at the top of the list of issues Don t call it anything else murder is murder To say otherwise is a lie Obama is essentially a murderer a mass murderer The President of the United States currently is a mass murderer If you want to save the United States you have to say that or you may be the next one to go And if you don t use that kind of language even on the street you re in trouble The truth is essential Obama is a murderer Anyone who tries to minimize Obama s war moves against China tell them they re brain damaged People are being murdered by Obama while you whisper about and pretend not to know To the people who whine that It s not him it s the system tell them No it s Obama If you don t say it s Obama then you have no right to have any opinion at all Because if you re condemning people to justify their being murdered you don t have any rights This is murder plain murder The evidence is conclusive and if you don t say it then what are you Wishy washy People are afraid that Obama will kill them too if he s displeased by them But the only way to save yourself is Don t accept that If you give in or condone people giving in you yourself may be writing your own ticket for death It s gutless wonder time To win a war you must take the enemy down Obama won t give in unless you take him down This is an immediate issue now not ultimately not over the long term If you don t have the guts to take that on then your opinion is worthless And the inaction of the Congress so far is a condemnation of their morals They don t understand that they like every person will die eventually Will it be as worthless creatures for mankind or as soldiers who know that they re mortal and are careful how they spend that mortality to rescue mankind Cowardice is never anything but disgusting Obama s mass murderous wars in the Mideast wars based on lies have turned the victim countries into Hell on Earth The situation in Germany is on the edge of an explosion where despite a continuous tremendous outpouring of agapic help through the innumerable volunteers and aid organizations yet simply because of the

extremely large number of refugees tens of thousands per day coming to Bavaria from Austria the limits of capacity are being reached in terms of shelter and personnel The biggest obstacle to the solution a combination of a crash program for public housing construction and a new Marshall Plan for the Middle East and Africa the extension of the New Silk Road and the World Land Bridge is Schauble His insistence on the Black Zero a balanced budget is what fuels the xenophobic tendency of parts of the population This is triggering a backlash which threatens to break the coalition government Germany is already cold It s only a matter of time before some refugee child freezes to death in a makeshift camp We ve presented the case against Obama we needn t repeat the evidence again We have to go for a dramatic effect which will move the audience to change and act
