The structure of the book is consistent with that of a typical diet book; it includes an evaluation phase, an induction phase, and a maintenance regimen. Susan offers specific advice on topics that matter most to women, including how to develop realistic and attainable goals, how to make smart financial decisions, how to determine the best way to invest based on a reader's investment personality, and how and when to get professional help from a financial advisor, all while relating it back to a theme that practically every woman has experienced at least once in her life: dieting. Susan's program completely removes the intimidation factor that often accompanies the words "personal finance" and "investing" and provides women with all the information they need to take control of their financial situations, once and for all.
