When Harry Met Sal Ryan Field, 2023-02-17 Lambda award winning author Ryan Field wrote this gay romance as part of his series of novels retelling beloved romcoms with gay characters Inspired by the romcom classic Nora Ephron movie When Harry Met Sally about two friends who finally realize how much they love each other after many years this novel is an homage to the power of romantic story telling and the power for true love When Harry Beckham s best friend asks him to drive her new casual

boyfriend Sal Sorentino from California to New York Harry never expected they'd wind up as lovers their first night on the road Harry just assumes that Sal is straight and Harry already has a boyfriend of his own back in San Francisco But when Sal explains that he's bisexual and that he's extremely attracted to Harry everything changes Harry tries to resist the mutual attraction but all it takes is one simple kiss and they both wind up having the best sex of their lives on a cross country road trip When they reach New York they agree to go their separate ways and forget about each other Harry becomes a well known designer who does national talk shows and Sal becomes a professional poker player who lives in a mansion and owns a pet pig named Dolly And by the time they meet up again seven years later their lives have changed completely But that doesn't stop the passionate physical connection between them from surfacing again Though all the odds seem to be against them their physical relationship evolves into mutual love and respect And this unyielding love they feel for each other turns out to be stronger than anything they could have imagined When Harry Met Sal was definitely one of my early reads in the M/M genre and it was one of the books that for the longest time I would reread every time I couldn't find a sweet funny romance that made me smile and laugh this was my go to book Goodreads Reader [A Starr is Born](#) Ryan Field, 2019-06-26 Written by Lambda Award winning author Ryan Field A Starr Is Born is a queer retelling of an old rags to riches trope that's been reinterpreted many times but this time it's totally different with gay main characters a gay love story and a gay male point of view It's partly a light hearted parody and partly sarcasm It's also highly erotic and charged with authentic emotional gay male romance From the day they meet for the first time until the day their lives change forever Harrison Parker and Morton Starr were destined for greatness and each other A Starr is Born follows the paths of handsome badly behaving rock star Harrison Parker and sexy gender bending performer Morton Starr who is just starting his career Morton is so madly in love with his husband Harrison he'll do anything to please him including overlooking all his self destructive issues However as openly gay Morton gains more fame and success in the mainstream with his popular gay love songs and his unique gender bending image and Harrison continues to slide downhill there comes a point where everything has to change And when that climax finally happens Morton isn't certain about anything in his future or his marriage [The Virgin Cowboy Billionaire's Secret Baby](#) Lauren Gallagher, 2025-01-05 After retiring at thirty five billionaire Matt Coolidge should have it made Instead he's got chronic migraines and high blood pressure Oh and during his workaholic years he completely forgot to have a love life Now he's just trying to relax in between arguing with his mother about the fate of the family farm not to mention his lack of a family of his own Then Matt's childhood best friend Dara Marley rolls back into town Ten years after a stupid argument ended a longtime friendship they've both matured and it's time to let bygones be bygones Especially since they're having a baby together Thanks to frozen embryos from years ago Dara's pregnant and alone after her husband walked out She wants her child to have a father so she's turning to the most logical place the biological father and the man she's always regretted falling out with But with two judgmental families who can't stand each other and both Matt and Dara
