The Wandering Hinjew:

The Wandering Hinjew Robert Sherman, 2015-05-01 *Wandering Wheels* Sushant Kaushik, 2021-02-05 I wish I d read this book before everything I went through Sumeer Part time writer full time lover Author may be exaggerating some stuff Not everything has to be believed Priya Jain 100 meter specialist bad at marathons My favourite travel companion Kanika Malhotra Gypsy with a vintage car If you know your destination your speed would tell you the time needed to cover the distance But what if the distance is zero and the destination is inside of you How much time does it take then More importantly which vehicle do you choose Maria Sumeer Kanika and Nigel embark on a similar journey at different points in their lives to realise that love can have a different meaning for everyone that no love can have a different meaning for everyone that no love is greater than the other and that love comes with possibilities not limitations *Wandering Wheels* is a gripping stay up all night treat to all the anxious souls trying to discover their places in this unfair yet beautiful world It gives a lesson or two about unconditional love and forgiveness incessant pain and liberation and the serendipitous twists and turns fate brings in this journey called life from one wheel to another **Exile & Ecstasy** Madison Margolin, 2023-11-07 Through the perspective of having grown up among HinJews in the Ram Dass community and cannabis legalization movement journalist Madison Margolin takes the reader on a journey inside New York s Jewish counterculture and the Hasidic underground reconciling her roots tackling ancestral Jewish trauma and finding intersectionality between the Jewish and psychedelic experience *Exile and Ecstasy* sets out to explore the psychedelic path that occupies the crossroads between the Ram Dass movement and Hasidism It s a path of seeking and escape rebellion and return medicine and magic Bridging the polar ends of the Jewish and psychedelic worlds while buttressing the experience with expert reportage Madison Margolin prods at *Be Here Now* to find its relevance and utility in a new generation facing different issues than those Ram Dass faced as a generally well to do boomer In doing so she looks at solutions to our lack of presence and offers practices that help us integrate our psychedelic experiences in mundane life as well as in the context of our roots and religious identities This book is for anyone looking to feel spiritually kindled to make peace with where they come from and to reconcile seemingly disparate experiences of spirituality and psychedelics with traditional religion Unsaid Dr Bharat Vatwani, 2025-10-10 2018 Ramon Magsaysay Awardee BHARAT VATWANI In a few countries the contrast between great wealth and extreme poverty is as stark as in India Of the latter a popular image is its street people dirty dishevelled and famished huddled on pavements in train stations bus stands and public shrines An estimated 400 000 of them are mentally ill victimised not so much by poverty as by a problem society has not sufficiently understood and addressed the problem of mental health Stigmatized and feared the response of many to these street persons is to pretend they do not exist One man chose not to pretend Psychiatrist Bharat Vatwani was out dining in a restaurant with his wife Smitha also a psychiatrist when they were appalled at the sight of a thin unkempt man drinking water from a street canal Taking time to talk to the man a mentally

afflicted college graduate they decided to bring him to their clinic to be washed and treated This show of empathy was not entirely surprising Vatwani knew what poverty was like Losing his father when he was only 12 years old forced him and his brothers to take odd jobs like peddling books door to door Struggling through school as a self supporting student Vatwani successfully completed his medical studies in psychiatry at Grant Medical College and at G S Medical College providing free shelter food and psychiatric treatment and reuniting them with their families Starting with a two room tenement that could take only three people at a time Shraddha drew public attention when they rescued and treated a street person who turned out to be a respected lecturer at a Mumbai art school who had inexplicably disappeared Learning about what the Vatwanis had done the school s faculty and students organized a major art exhibition that drew 141 participating artists in India and abroad and successfully raised US 22 357 Using this seed money the Vatwanis bought a piece of property in Mumbai for a 20 bed facility that they opened in 1997 the unexpected donation inspired them to further expand their work with the help of private donors volunteer professionals and social workers In 2006 they moved to a bigger 120 patient facility in Karjat outside Mumbai which had five buildings on a 6.5 acre land By then they had strengthened their three phase therapeutic program consisting of the rescue and treatment of mentally ill street persons reuniting patients with their families and promoting awareness of mental health in communities Their rescue work has been aided by the police social workers and referrals Shraddha s free custodial care and treatment ranges from personal hygiene medical check ups psychiatric treatment to appropriate medication all done in the open healing environment of the Karjat facility where patients can engage in simple farm activities and find solace in a multi religious meditation center The foundation tracks patients families arranges reunions and uses such opportunities to spread a supportive and enlightened understanding of mental health among the families and their communities In a one of a kind mission that began in 1988 Vatwani and the foundation have by now rescued treated and reintegrated into their families and communities more than 7 000 of India s mentally ill roadside destitute with a remarkable reunion rate of 95% Vatwani s painstaking humane undertaking has had to contend with numerous challenges A deeply spiritual person the good doctor is often beset by doubts whether he has done enough given the magnitude of the mental health problem in his country Notwithstanding these self doubts he remains confident in his faith that in the end Good work shall continue when there is inherent goodness in the work In electing Bharat Vatwani to receive the 2018 Ramon Magsaysay Award the board of trustees recognizes his tremendous courage and healing compassion in embracing India s mentally afflicted destitute and his steadfast and magnanimous dedication to the work of restoring and affirming the human dignity of even the most ostracized in our midst *Los Angeles Magazine* ,2000-05 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and
