The Widowmaker Unleashed Widowmaker Series:

The Widowmaker Unleashed Mike Resnick, 2022-09-13 A bounty hunter has a legacy that he and his clones can't escape in this explosive science fiction adventure from the Hugo and Nebula Award winning author. After more than a century in deep freeze, Jefferson Nighthawk is waking up from his sleep, finally cured of the disease that almost killed him. Now sixty-two years old, he's ready for a new kind of life, one of peace and quiet. The former bounty hunter has made enough widows not to mention clones, one of whom still roams the galaxy. With his loyal trainer Ito Kinoshita by his side, Nighthawk looks for a place to settle down, to grow some flowers and maybe even find a wife. What he isn't expecting is to be hounded to the ends of the universe by the enemies his two clones have made and by bloodthirsty men out to make a reputation for themselves. Nighthawk and Kinoshita try to stay one step ahead of his pursuers, but when that doesn't work, Nighthawk's instincts take over and the killing begins. There's only one way to escape being the Widowmaker, and Nighthawk is just about desperate enough to try it. Praise for Mike Resnick: Resnick is thought provoking, imaginative, and above all, galactically grand. Los Angeles Times. Nobody spins a yarn better than Mike Resnick. Best of all, when the story's over, you find that he's left something in your memory for you to draw on again and again, a clearer understanding of how nobility emerges from the struggles of life. Orson Scott Card, New York Times bestselling author of *Ender's Game*. *The Widowmaker Series Volume Two* Mike Resnick, 2022-09-13 Retirement is a dangerous game for a cloned bounty hunter in the third and fourth books in the series featuring Jefferson Nighthawk. Orson Scott Card, New York Times bestselling author of *Ender's Game*. *The Widowmaker Unleashed* After more than a century in deep freeze, Jefferson Nighthawk is waking up from his sleep, finally cured of the disease that almost killed him. The sixty-two year old wants to settle down, easier said than done when the enemies of his clones still have scores to settle. *A Gathering of Widowmakers* He may be retired from bounty hunting, but Nighthawk is still one of the three most dangerous men alive. The other two? His clones. But when the youngest one makes a nearly fatal mistake, he'll have to learn to match wits with both of the killers who came before him. Praise for Mike Resnick: Resnick is thought provoking, imaginative, and above all, galactically grand. And if you do see her, it will be after you've taken your last breath. Alien art historian Leonardo has seen paintings of the Dark Lady before and sees her image again when he comes to work at a human art gallery. There, he meets a wealthy old collector who hires him to track down portraits of the mysterious woman. However, Leonardo is not alone in his search. There's an art thief out to make some money and a man desperate to see the model herself in the flesh. Legend says that the Dark Lady summons

men to great deeds or to their demise As Leonardo's search begins his obsession with the woman grows She will either be the key to his salvation or his destruction
