The Wilderness War Winning Of America Series:

The Wilderness War Allan W. Eckert, 1990 A narrative account of the defeat and dispossession by 1780 of the Iroquois tribes of New York State and upper Pennsylvania despite the valor of the great chief Joseph Brant The Wilderness War Allan W. Eckert, 1978 *Captive!* Jack Harpster, Ken Stalter M.D., 2010-07-20 This book recounts the amazing life story of a 16 year old American Revolutionary era soldier including his captivity adoption and eventual flight to freedom from the Iroquois Six Nation Indian tribes The story is retold with historical accuracy and an even handed treatment of the conflicting interests of the loyalists Iroquois and Patriots David Ogden was born into an unusually tumultuous time in America the colonials were struggling to throw off the yoke of British rule while also battling the Iroquois tribes for control of their ancestral lands The bibliography of anyone who survived a life in the late 1700s frontier days of New York would be a great tale but David Ogden s story stands alone even within historical context of his times *Captive The Story of David Ogden and the Iroquois* is a compelling true adventure story of one young colonial soldier s bravery choosing a daunting 126 mile race to freedom fraught with the risk of death over being assimilated into an alien society This story is told with all the factual historical information that was missing from all the original captivity narratives but accurately retains the flavor of the period and the voice of the 18th century protagonist Becoming Little Shell Chris La Tray, 2024-08-20 Nothing less than the history of a people in the form of an absorbing and emotionally searing memoir David Treuer author of *The Heartbeat of Wounded Knee* I m committed to uncovering the culture of my people I m committed to learning as much of the language as I can I ve always loved this land and I ve always loved Indian people The more I dig into it the more I interact with my Indian relatives the more it blooms in my heart The more it blooms in my spirit Growing up in Montana Chris La Tray always identified as Indian Despite the fact that his father fiercely denied any connection he found Indigenous people alluring often recalling his grandmother s consistent mention of their Chippewa heritage When La Tray attended his grandfather s funeral as a young man he finally found himself surrounded by relatives who obviously were Indigenous Who were they he wondered and Why was I never allowed to know them Combining diligent research and compelling conversations with authors activists elders and historians La Tray embarks on a journey into his family s past discovering along the way a larger story of the complicated history of Indigenous communities as well as the devastating effects of colonialism that continue to ripple through surviving generations And as he comes to embrace his full identity he eventually seeks enrollment with the Little Shell Tribe of Chippewa Indians joining their 158 year long struggle for federal recognition Both personal and historical *Becoming Little Shell* is a testament to the power of storytelling to family and legacy and to finding home Infused with candor heart wisdom and an abiding love for a place and a people Chris La Tray s remarkable journey is both revelatory and redemptive Creating Historical Drama Moe, Christian H., 1965 This guidebook for transforming actual American figures and events into dramatic form has aided many communities and groups in writing planning and producing first rate historical

dramas This new edition of *Creating Historical Drama* features updated examples of drama and dramatic activities from short indoor productions to large scale outdoor historical dramas new material about funding economic impact on communities budgeting and marketing and current information on physical theatre development **Dark Journey** Allan W. Eckert, 2009 In 1841 a party of men women and children set out from Missouri led by John Bidwell the prince of California pioneers Their trip to California across the plains and mountains as revealed in the journal of their leaders is a tribute to human courage endurance and faith The Bidwell pioneers were followed by many other parties including the Donner Reed party Caught in the Sierra Nevada mountains by the icy grip of an early winter the Donner party built crude shelters and struggled to survive Soup made of boiled leather and powdered bones became a luxury Of the 79 persons who started 34 died before an expedition out of California rescued the survivors Western Series and Sequels Bernard Alger Drew, Martin Harry Greenberg, Charles Gordon Waugh, 1986 **The Publishers' Trade List Annual** , 1982 *Bibliographic Guide to North American History* , 1979 *AB Bookman's Weekly* , 1997 *The Conquerors* Allan W. Eckert, 1970 The *Conquerors* the third volume in Allan Eckert's acclaimed series *The Winning of America* continues the narrative of *The Frontiersmen* and *Wilderness Empire* the violent and monumental story of the wresting of the North American continent from the Indians But the locale has moved westward to the northern frontiers of Pennsylvania to Michigan and the Green Bay area and especially the crucial outposts of Fort Pitt and Fort Detroit Sandusky and Mackinac *Wilderness Empire* concluded with the English victory in the French and Indian War a conquest which gave them possession of an immense North American empire Now English soldiers and traders began the trek across the wilderness to man the former French outposts to secure the land for the Crown and to exploit its riches But these men were to find that the conquest of the Northwest did not end with the defeat of the French **Wilderness Empire** Allan W.
