Britains Toy Soldiers James Opie, 2016-10-30 This is the first full colour history of the world famous toy soldiers to chart the whole story of their development from Victorian table top to 21st Century collectable Prior to 1893 the family toy business of the Britain family was struggling as the toy industry was dominated by German manufacturers and importers Then came the fateful decision first to import then to design and manufacture toy soldiers an area the German firms were particularly strong in Britains Toy Soldiers were born and soon their boxes stamped with the slogan Best Quality English Make were being eagerly opened by little boys across Britain and then around the world The rest as they say is history and it is all captured here by James Opie the world's leading expert on the subject as he lovingly traces the varying fortunes of arguably the most famous British toy company Illustrated with lavish colour photographs many of them featuring items from the author's own collection the book includes feature sections such as collectors favourites and prices high value and famous sets artistic highlights quirks and mysteries It is without doubt the most authoritative book on the subject and will be welcomed by the thousands of devoted collectors world wide as well as many more with fond memories of childhood battles with these beautiful toys *The Annual American Catalogue*, 1899 *The Publishers Weekly*, 1900 *Bible Figures of Speech* Aaron Schroeder, 2015-04-07 Bible figures of speech have been around since Adam Who hasn't heard of the most famous tree The Tree of the Knowledge of Good and Evil And in a moment of defiance and rebellion Cain asked God Am I my brother's keeper These two literary terms can be called figures of speech They are examples of phrases that bring forth a particular meaning to he who hears them and they become personal to each of us What do these two figures of speech have in common They were both written down or attributed to the same author Moses They both happened somewhere at a specific place which was an event at a certain moment of time They represent the divine nature of God and God's relationship with man or in literary terms a character While we don't always know the exact location or date as with the early biblical writings we do have a unifying anchor which is the Bible figure of speech Considering the first Bible figure of speech we have yet another image In the beginning Here we see God acting alone in creation at the beginning of time It too provides us with a simple truth both unforgettable and personal It speaks to our mind and our heart and soul as personal knowledge which is outside of reason and have heaven and earth to bear witness This is a Bible figure of speech **Amazing Bible Word**
