Effective Frontline Fundraising Jeff Stauch, 2012-01-31 Today nearly every charitable nonprofit advocacy group professional group and politician relies on the philanthropy of others Whether it's a private college a hospital or museum a lobbying group or a local low budget food shelf operational and marketing costs and capital investments are often largely underwritten through the generous support of donors Nonprofits need some people to write 25 checks on a regular basis and they need others to make six figure pledges The bad news Since the economic collapse of 2008 getting people to part with precious dollars has become ever more difficult The good news is that people are still inclined to be generous to organizations causes and candidates they believe in Effective Frontline Fundraising provides the information you'll need to set up and manage an effective development team capable of consistently raising gifts both large and small Effective Frontline Fundraising will not only teach those skills for getting the gift you want in the short run but it will also show how to build a meaningful long lasting relationship between your organization and your donor base This book Shows how to keep that organizational lifeblood cash running through your vital operations Explains how to create a firm foundation from which to solicit funds Provides examples of successful and unsuccessful fundraising messages and plans Teaches you how to ask confidently for gifts from 25 to 1 000 000 or more

The New Fundraisers Beth Breeze, 2017-10-30 Charitable fundraising has become ever more urgent in a time of extensive public spending cuts However while the identity and motivation of those who donate comes under increasingly close scrutiny little is known about the motivation and characteristics of the askers despite almost every donation being solicited or prompted in some way This is the first empirically grounded and theorised account of the identity characteristics and motivation of fundraisers in the UK Based on original data collected during a 3 year study of over 1 200 fundraisers the book argues that it is not possible to understand charitable giving without accounting for the role of fundraising

They Told Me Not to Take that Job Reynold Levy,2015-05-12 When Reynold Levy became the new president of Lincoln Center in 2002 New York Magazine described the situation he walked in to as a community in deep distress riven by conflict Ideas for the redevelopment of Lincoln Center s artistic facilities and public spaces required spending more than 1 2 billion but there was no clear pathway for how to raise that kind of unprecedented sum The individual resident organizations that were the key constituents of Lincoln Center the Metropolitan Opera the New York City Opera the New York Philharmonic the Juilliard School and eight others could not agree on a common capital plan or fundraising course of action Instead intramural rivalries and disputes filled the vacuum Besides some of those organizations had daunting problems of their own Levy tells the inside story of the demise of the New York City Opera the Metropolitan Opera s need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses and the New York Philharmonic s dalliance with Carnegie Hall Yet despite these and other challenges Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen acre campus and raise the money necessary to maintain Lincoln Center as the country s most vibrant performing arts destination By the time he left Lincoln Center had prepared itself fully for the next generation of artists and audiences They Told Me Not to Take That Job is more than a memoir of life at the heart of one of the world s most prominent cultural institutions It is also a case study of leadership and management in action How Levy and his colleagues triumphantly steered Lincoln Center through perhaps the most tumultuous decade of its history to a startling transformation is fully captured in his riveting account
