Calvin on the Ropes Douglas R. Shearer, 2009 At the moment there are two powerful trends developing within evangelicalism a pernicious postmodernism that demeans moral and intellectual certainty and presses for accommodation among competing truths a postmodernism that's now institutionalizing itself among many of the so called emerging churches and a resurgent five point Calvinism that casts itself in opposition to postmodernism and therefore appeals to college Christians who are desperately looking for a spiritual and intellectual mooring that will safeguard their beliefs from being swept into a sea of relativism In short the one postmodernism and the relativism it's producing among American intellectuals has led to the other a resurgence of five point Calvinism Calvinism is closely argued tightly bound and scrupulously logical Its logic however is its undoing because it argues Calvinist conclusions from Calvinist premises that don't always line up with the Biblical text The whole edifice rests on a flawed foundation that a careful exegesis of Romans reveals to anyone who is equipped with a little background in pre modern thought _____ Dr Arnold Fruchtenbaum

writes This book is highly recommended to both Dispensational Calvinists and Covenantal Calvinists as well as to Arminians and also to all of those who do not see themselves in any of these categories for an honest evaluation of what the Book of Romans really says about God's program for salvation and God's program for Israel Arnold Fruchtenbaum Ariel Ministries Douglas Shearer has recently retired from pastoring the church he helped to found in 1982 He and his wife Sita have been married for 45 years and together have raised four children two sons and two daughters Kendra Greg Alan and Margo They are all married and raising families of their own each of them and their spouses dedicated to serving the Lord **They**

PROVIDENCE Karen Kay Pickering, 2021-10-15 Greetings friends Is Jesus the Lord of your life If you have the Son Jesus you have Eternal Life Put your faith in the facts of the Holy Bible Behold all things have become new to anyone who puts their faith in these facts In your head you may have doubts In your heart you are a believer It s a fact God will never leave you or forsake you God said it I believe it That settles it What were you before you became a Christian What is your story Let s continually give thanks and praise to God God is real God is wonderful God is awesome It doesn t logically make sense This we do know Either God is who He claims to be or the greatest impostor the world has ever known And if God be an impostor then we have before us the only case in world history in which a lie has produced more good than the Truth The Holy Bible contains some of the greatest statements concerning the understanding of life and God It is considered by many to be one if not the greatest Book ever authored Its grand subject is the declaration of the existence of a Divine God On that existence depends everything There are those who reject this view They insist that the acceptance of the Doctrine proclaiming the existence of Deity is absurd and illogical We all have varied points of view but in the end we may still stand firm on our own personal beliefs and convictions Thank you
