Scoffers Simon Turpin, 2021-08-25 The pervasive influence of unbelievers is a force that demands an answer from the body of Christ Scoffers Responding to Those Who Deliberately Overlook Creation and the Flood offers a strong defense for biblical authority equipping believers to stand firm preach the truth and make disciples The reality of the biblical account of the Flood is that it is a horrifying account of judgment but also one of glorifying redemption The scoffers of Peter s day were very much like modern day skeptics in that they deliberately overlook the facts of biblical history The cost of their unbelief is catastrophic even within the Christian church Author Simon Turpin the executive director of Answers in Genesis in the U K prepares us to confidently counter the philosophical bias of scoffers by Revealing how the Gospel of salvation can only be understood in light of the Genesis account of a six day creation and the global Flood Providing an in depth analysis of 2 Peter 3 to defend the biblical account of Creation against the false notions propagated by scoffers Presenting a strong defense for the coming of Christ and Christianity for those who have rejected the truths found in Genesis 1 11 Scoffers gives today s Christian families and leaders a strong defense for the authority of God s Word helping the Church to withstand in the evil day and having done all to stand Ephesians 6 13

The Publisher, 1914 *A Flood of Evidence* Ken Ham, Bodie Hodge, 2016-09-21 There are hosts of books and resources on the Flood and Noah s ark in the creation movement But there has been a glaring problem in this area for 50 years There isn t one basic laymen book on the Flood and ark to give answers to those questions asked all the time Most books are too shallow too specific or too technical for the average Christian to read or get much from Most people in pews could use a book like this to give them the basic answers they need about the

Flood and the ark then they will be prepared to go into further technical books or specific books from there Answers the top questions Answers in Genesis receives about the Flood Addresses issues in a way that should be easy to read and yet still gives the reader some meat to chew on The perfect starter book for those interested in learning more or for believers wanting share the truth with non believers Most people in the pews could use a book like this to give them the basic answers they need about the Flood and Noah s Ark After reading it they will be prepared to go into further technical or specific books from there
