The Literary Gift in Early America David Faflik, 2025-03-18 Some of the most meaningful

moments in early American literature relied on historical patterns of gift exchange David Faflik argues in this compelling

book Gift exchange kept a surprising variety of literary objects in circulation across the diverse societies economies and

cultures of the Americas from the seventeenth through the nineteenth centuries From the gifting of a Narragansett grammar

as a foundational event in the project of colonization in New England to the use of Benjamin Franklin's Poor Richard's

Almanack in the classrooms of an independent Brazil to Catharine Maria Sedgwick's fictions framing literature as the object

of middle class gifting chapters offer an interdisciplinary perspective on book history and literary history in the United States

and beyond Faflik contends that it is because of the wild ways in which books circulated as gifts that works by Franklin New

England colonist Roger Williams Sedgwick Walt Whitman and Emily Dickinson resisted the generic conventions of their day Offering a revisionist account of how literary meaning is made The Literary Gift in Early America calls for closer attention to the historical patterns of literary give and take in the Americas **The Spectator** ,1872 *American Educators'* *Encyclopedia* Edward L. Life Is What You Make It Peter Buffett,2011-05-03 From composer musician and philanthropist Peter Buffett comes a warm wise and inspirational book that asks Which will you choose the path of least resistance or the path of potentially greatest satisfaction You may think that with a last name like his Buffett has enjoyed a life of endless privilege But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy Forge your own path in life It is a creed that has allowed him to follow his own passions establish his own identity and reap his own successes In Life Is What You Make It Buffett expounds on the strong set of values given to him by his trusting and broadminded mother his industrious and talented father and the many life teachers he has met along the way Today s society Buffett posits has begun to replace a work ethic relishing what you do with a wealth ethic honoring the payoff instead of the process We confuse privilege with material accumulation character with external validation Yet by focusing more on substance and less on reward we can open doors of opportunity and strive toward a greater sense of fulfillment In clear and concise terms Buffett reveals a great truth Life is random neither fair nor unfair From there it becomes easy to recognize the equal dignity and value of every human life our circumstances may vary but our essences do not We see that our journey in life rarely follows a straight line but is often met with false starts crises and blunders How we push through and persevere in these challenging moments is where we begin to create the life of our dreams from discovering our vocations to living out our bliss to giving back to others Personal and revealing instructive and intuitive Life Is What You Make It is about transcending your circumstances taking up the reins of your destiny and living your life to the fullest Sale-catalogues of Second-hand Books on Sale by Henry Sotheran & Co Sotheran, Henry and Co,1871 **History** ,1921 Chronological coverage with articles on social political cultural economic and ecclesiastical history Book Review Section provides up to date critical analyses of up to 600 titles in each volume *The Eclectic Magazine* John Holmes Agnew,Walter Hilliard Bidwell,1878
