The Spirit Of Prophecy Second Edition:

Spirit, Scripture, and Theology, 2nd Edition Roger Stronstad, 2019-05-14 **The Spirit Said Go, Second Edition** Mark Wilson, 2020-04-08

God's got a plan for your life is an aphorism frequently heard by Christians. But how do you discover that plan? The Spirit Said Go is designed to help believers find God's will. Using Paul's journeys in Acts as examples, Wilson discusses twenty lessons on guidance drawn from these journeys. Using his firsthand experience traveling along these routes in the Eastern Mediterranean, he reads between the lines, offering additional insights into Luke's account. He also provides important geographical and archaeological information to illustrate Paul's world among the Jews, Greeks, and Romans. Wilson then illustrates each lesson with autobiographical vignettes drawn from his own spiritual pilgrimage of over forty years as a follower of Jesus. Friends and colleagues also share stories of similar experiences of guidance. Each chapter ends with reflection questions that help the reader integrate the lesson into Christian living. The volume offers an inductive Bible study combined with practical spiritual insights regarding how God guides his people then and now.

Power from on High Max Turner,2015-04-10 *Power from on High* offers the first critical survey of scholarship on the subject of Luke s view of the Spirit assessing the rival theories by means of three criteria continuity with Luke s background relationship to other aspects of Luke s theology and Luke s place in the development of more general New Testament thinking about the Spirit Turner provides fresh insight on specific Lukan concepts and favored terms including such phrases as full of the Holy Spirit and baptize with the Holy Spirit that have been of significance not merely for the discipline of New Testament studies but also for confessional theologies of major streams of Christianity today and seeks to advance a more coherent understanding of the general shape of Luke s pneumatology than has hitherto been offered

Beyond Vengeance

and Protest Oliver Nwachukwu, 2005 Publisher's description Beyond Vengeance and Protest takes a fresh look at the Book of Revelation from the point of view of blessing. If John wrote Revelation to tell the Christian communities that he had seen the Lord and to encourage them to persevere, the macarisms underscore his conviction of God's vindication of the righteous who suffer now. With the sevenfold macarisms expressing hope in God's grace, John lays grounds for action by positing the good for which the contrary must be rejected.

Biblical Hermeneutics, Second Edition Milton Spenser Terry, 2003-06-13 This practical textbook is the most exhaustive single work in our language on the history of the interpretation of the Scriptures. So affirms Dr. Wilbur M. Smith, well-known Bible scholar. Milton S. Terry's book on Biblical Hermeneutics, the science of interpretation, is conveniently divided into three main areas: Part I, Introduction to Biblical Hermeneutics; Part II, Principles of Biblical Hermeneutics; Part III, History of Biblical Interpretation. This ideal standard textbook abstains from dogmatism and adheres strictly to the method of scientific and conscientious inquiry. It ranks as a classic in its field. Adapted to meet the practical needs of most students studying the Word of God, Biblical Hermeneutics is a model text for interpreting the Bible.

Studies in Pharisaism and the Gospels I. Abrahams, 2014-07-24 Originally published in 1924 as a sequel to the 1917 book of the same name, this text continues to analyse New Testament teaching using the tools of Pharisaic Judaism. Abrahams delves deeply into the historical background to many of the key stories and events of the Gospels, such as whitewashed tombs and rabbinic conceptions of prayer. This book will be of value to anyone with an interest in the Jewish context of the Gospels.
