The Case Against Moral Atheism Ken Wheeler,2014-09-26 What if you decided today that God did not exist Would that change your morality Would you still turn in an honest tax return Why If you are a single mother having a difficult time making ends meet would you steal from the cash drawer at work to buy food for your baby Why not If an adult decided to prey on young children why would that be morally different than a crocodile feasting on a baby monkey at the watering hole in the jungle Why has the law of the jungle changed just because the jungle is now Wall Street and the Internet If humanity evolved from primordial slime pools who gets to declare that the pedophile is a criminal and the croc is just functioning according to his evolved DNA Why should a person adopt moral values if he believes a Creator God does not exist Does the Chaos Theory provide an answer to that question or is it just an attempt by the Atheist to fill in the blank with anything but God while avoiding the obvious and logical challenges produced by the concept of a Godless morality The Case Against Moral Atheism challenges anyone who does not believe in a moral law giver above mankind to consider why they should live moral lives if this life is all there is *Return of the Continuums* Jennifer Brody,2016-11-01 Reaching the surface was just the beginning As Myra Jackson and her friends set out to find the First Continuum Captain Aero Wright and two companions from the outer space Second Continuum find themselves banished for treason and stranded on Earth Wright has vowed to complete his late father s mission to recolonize their ancestral planet but his true mission is to find the mysterious girl who haunts his dreams Meanwhile Myra and the young refugees of the underwater Thirteenth Continuum must make an unlikely ally if they are going to survive the hostile surface world and reach their destination the nexus of humanity s hope for survival As their paths begin to converge the Beacons that guide and connect Myra and Aero begin to prove their power and a shadowy force with a centuries old grudge reveals itself **Indicator and National Journal of Insurance** ,1917
