The Suffering Of God An Old Testament Perspective Overtures To Biblical Theology:

The Suffering of God, 1984-10-01 In this comprehensive and thought provoking study Terence Fretheim focuses on the theme of divine suffering an aspect of our understanding of God which both the church and scholarship have neglected Maintaining that metaphors matter Fretheim carefully examines the ruling and anthropomorphic metaphors of the Old Testament and discusses them in the context of current biblical theological scholarship His aim is to broaden our understanding of the God of the Old Testament by showing that suffering belongs to the person and purpose of God **The Suffering of God** Terence E. Fretheim, 1984 **A Biblical Theology of Gerassapience** Joel A. A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In *A Biblical Theology of Gerassapience* the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise *Theology of Jürgen Moltmann* Richard Bauckham, 1995-01-06 The most comprehensive study available of one of the most influential of German Protestant theologians **The Violence of the Biblical God** L. Daniel Hawk, 2019-01-08 How can we make sense of violence in the Bible Joshua commands the people of Israel to wipe out everyone in the promised land of Canaan while Jesus commands God s people to love their enemies How are we to interpret biblical passages on violence when it is sanctioned at one point and condemned at another *The Violence of the Biblical God* by L. Daniel Hawk presents a new framework solidly rooted in the authority of Scripture for understanding the paradox of God s participation in violence Hawk shows how the historical narrative of the Bible offers multiple canonical pictures for faithful Christian engagement with the violent systems of the world *Joining God in the Thin Places* Mary Schaller Blaufuss, 2025-04-17 *Joining God in the Thin Places* affirms that everyone is a theologian Authentic theological reflection emerges in natural disasters as people experience disruption and margins That theological reflection carries the authority of the well being of people who begin as vulnerable or excluded by injustice The mutual accountability of God and

all creation shapes resilient communities I have threaded my own experience in disaster events as a staff leader in the national United Church of Christ's disaster refugee and sustainable development ministries with public discourse emerging from these and other disasters This book utilizes resources of Bible theologies quantum science history art and liturgy Disaster theology is creation theology This book links climate change and natural disasters by rooting theologies active in natural disasters in who God is and what God does as creator redeemer and sustainer Accelerated climate change makes disasters more frequent intense and extended in duration than ever before It adds urgency to interacting well with creation that is complex and continuing for the sake of well being and flourishing Examples of local and global response and rebuilding demonstrate theologies of accompaniment partnership and solidarity seeking justice Those seeking practical ways to get involved will find them here

The Knowledge of God Michael Allen, 2022-01-13 The Knowledge of God turns to consider the knowledge of God revealed in the Word of God with several essays addressing the doctrine of God then the person of Christ and finally the miracle of the church Michael Allen shows the exegetical shape of historical and dogmatic reasoning as well as the significance of thinking about these topics in their interrelationships with a range of other Christian themes not least the doctrine of the living and true God In each of these topics the theme of the promise and nature of God's presence whether in his own life or then in the economy of the incarnation and of the church proves to be a unifying thread The gospel is shown to be rooted backward in God's own life and to have consequence forward for the ongoing life of Christ displayed in his church This volume explores what it means to learn of and come to know God who has life in himself and then shares his life with us in the coming of his Son and the ongoing presence amidst his body the church of Christ

The Tabernacled Presence of God Susan Booth, 2015-09-18 Although a large majority of believers agree that they should share their faith most report that they in fact do not That's not really all that surprising given today's pluralistic cultural setting But maybe this same culture's longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God's purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God's tabernacling presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide-eyed to the wonder of God's tabernacling presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit

The Place of God at the Bookends of the Bible David W. Larsen, 2023-10-09 What if everything in the Bible has a larger outer context than is usually accounted for Missional and biblical theologies suggest that the Bible presents a grand story like a play with multiple acts The acts typically include creation fall redemption and finally restoration But what if the whole story itself occurs in another larger

setting occurring within a mission running in the background throughout the whole Bible How might this aid our research reading and application And why is this being proposed now This book explores these questions The larger context is the production of the place of God a home and homeland wherein God with his people dwell on earth Since place is underdeveloped in biblical studies the book presents a new method for interpreting place Then the book lays out the case that a grand mission to produce the place of God becomes the outer context for the whole Bible Finally the book defends this proposal with an in depth placial commentary of the bookends of the Bible since these bookends provide keys to unlock this message thereby inviting further study on the rest of the Bible and on the implications for this transformative perspective

Practicing Midrash F. Timothy Moore, 2018-07-24 Have you ever been puzzled by contradictions in the Bible Or wondered why there are four Gospels three sets of Ten Commandments or two creation stories at the beginning of Genesis Beginning with the first pages of Genesis the Bible tells most of its stories through multiple versions which contain both similarities and disagreements The inherent arguments in Scripture did not seem to bother the Jewish faith A practice called midrash developed in Judaism sometime before the days of Jesus Rabbis and scholars sparred over opposing passages developed theological arguments and filled gaps in biblical stories with their own understandings This book will use the threefold prayer of St John of the Cross to allow the divergent voices in Scripture to speak and practice midrash with each other enabling the reader to join the conversation The contradictions and arguments have a divine purpose Not only did they prompt the Bible s evolution over hundreds of years but have enabled it to remain a living word for thousands of years This pluralism in the Bible is good news for the faithful living in a multi cultural pluralistic age

Great Prayers of the Old Testament Walter Brueggemann, 2008-10-17 A number of moving prayers can be found in the Old Testament and throughout Scripture In this accessible volume world renowned scholar Walter Brueggemann offers his insight and wisdom on twelve prayers in the Old Testament listening to the biblical text and explaining how these examples of ancient prayer can make prayer come alive for us today Among the prayers explored are those by Abraham Moses Hannah David Solomon Jonah Jeremiah Hezekiah Ezra Nehemiah Daniel and Job The prayers in this volume express joy and lament and show the depths of human experience and the majestic grace of a loving God who hears everything and takes every prayer to heart

The Child in the Bible Marcia J. Bunge, Terence E. Fretheim, Beverly Roberts Gaventa, 2008-09-15 In this volume nineteen biblical scholars collaborate to provide an informed and focused treatment of biblical perspectives on children and childhood Looking at the Bible through the lens of the child exposes new aspects of biblical texts and themes Some of the authors focus on selected biblical texts Genesis Proverbs Mark and more while others examine such biblical themes as training and disciplining children and the image of God the metaphor of Israel as a child and so on In discussing a vast array of themes and questions the chapters also invite readers to reconsider the roles that children can or should play in religious communities today Contributors Reidar Aasgaard David L Bartlett William P Brown Walter Brueggemann Marcia J Bunge

Lim, Daniel Castelo, 2015 *A New Heaven and a New Earth* J. Richard Middleton, 2014-11-25 In recent years more and more Christians have come to appreciate the Bible's teaching that the ultimate blessed hope for the believer is not an otherworldly heaven instead it is full bodied participation in a new heaven and a new earth brought into fullness through the coming of God's kingdom Drawing on the full sweep of the biblical narrative J Richard Middleton unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope He suggests its ethical and ecclesial implications exploring the difference a holistic eschatology can make for living in a broken world Natural and Cosmic Theodicy Jongseock James Shin, 2022-10-21 This book presents a third way to envision the Creatorship of the Triune God who is both compassionate and eschatologically redemptive in providential presence rather than biasedly gravitating toward the openness of a self limiting God or God's all determining sovereignty Not only is God in with and under creation God's kenotic presence invites creatures to participate in the self giving love of God through both general and special divine action in a top down through bottom up mode Creatio continua is God's own journey of fulfilling the eschatological promise for creation This redemptive presence of God in creation is a Trinitarian co protesting against the power of death sin and evil considering the cosmic dimensions of the eschatological hope promised in the resurrection of Jesus The new creation is the ultimate fulfillment of creaturely freedom and contingency divinely granted in creatio ex nihilo In arguing this Shin engages in a comparative and critical study of natural and cosmic theodicy advanced by Catherine Keller Arthur Peacocke Wolfhart Pannenberg and Robert Russell Dissonant Pieties Paul A. Riemann, 2013-11-14 Throughout his years as a leader of the Reformation John Calvin had a special interest in the proprieties of prayer This interest climaxed in his formulation of four basic rules for proper prayer

rules that he applied in his extensive commentary on the book of Psalms which dominated his last several years Calvin was especially interested in the psalms associated with David particularly the complaint psalms He sensed an unusual personal affinity with David who as king faced many situations that seemed to parallel his own less authoritative but very powerful role in Geneva He was however quite critical of the psalm prayers that he found to be in violation of his rules Riemann analyzes Calvin's criticism and offers a reevaluation of the complaint psalms in themselves Riemann finds the complaint psalms to have been misunderstood not only by Calvin but by many present day commentators who likewise find these psalms to only echo their own piety Riemann demonstrates the risks of abstracting elements from someone else's piety and appropriating them for ourselves He asserts that rather the complaint psalms can help us learn how to think about the humanity of God and become proper pray-ers ourselves

God's Radical Love in Missio Dei Edward Kim, 2024-12-30

Although missio Dei the mission of God has been a burning theme in missiology since the end of the twentieth century a key verse John 3:16 has been widely neglected in missiology until today Yet John 3:16 reveals missio Dei as the triune God's salvific activities in the world and shows us the very motivation for missio Dei God's Radical Love a love so vast transcultural and universal that no English words can translate the Hebrew Three questions are explored herein How does God's Radical Love in John 3:16 justify God's motivation for missio Dei as the work of the triune God in the Old Testament What does God really plan to achieve in missio Dei And how can missio Dei be applied by Christians in the twenty first century Based on his own experiences the author specifically explores how Messianic Jewish congregations in Israel could respond to and participate in missio Dei with the hope that thoughtful readers may apply this study to their own contexts to engage their own congregations with a deeper understanding of God's Radical Love in missio Dei
