The Supervisory Process In Speech Language Pathology And Audiology:

The Supervisory Process in Speech-language Pathology and Audiology Elizabeth S. McCrea, Judith A. Brasseur, 2003

Firmly rooted in research The Supervisory Process in Speech Language Pathology and Audiology is an update of Jean L. Anderson's seminal work by the same name and proves to be a practical guide for supervision at all stages of development. This book is a practical and immediately applicable resource for supervisors and supervisees. The contemporary format of this new book includes a new chapter on the supervision of speech language pathology assistants, attention to new ASHA training standards effective in 2005, and case studies and practical tools that make it useful for supervisors in any setting and level of practice. Professional is the field of speech language pathology and audiology as well as professionals in allied health and education.

The Clinical Education and Supervisory Process in Speech-Language Pathology and Audiology Elizabeth McCrea, Judith Brasseur, 2024-06-01

As with the actual practices of speech language pathologists and audiologists, clinical education and supervision practices work best when they are grounded not only in concept and theory but also in research. Designed to act as a complete guide to both the theory and the research, The Clinical Education and Supervisory Process in Speech Language Pathology and Audiology provides the most up to date information on these crucial topics. Following in the footsteps of their mentor Jean Anderson, Drs. Elizabeth McCrea and Judith Brasseur have taken on the task of assembling important current research and best practices in clinical education and supervision into one comprehensive resource. With their prestigious team of contributing authors, this text represents the culmination of decades of study and real world best practices. The Clinical Education and Supervisory Process in Speech Language Pathology and Audiology covers clinical education and supervision across five unique constituent groups: clinical educators of graduate students, preceptors of audiology externs, mentors of clinical fellows, supervisors of support personnel, and supervisors of professionals transitioning between work settings. It also includes the latest information on certification and accreditation requirements for preparation in supervision. Topics include: Foundations; Anderson's Continuum of Supervision; Components of the Process; Expectations for Supervision; Practical Research in Supervision; Literature from other Disciplines; Obtaining Feedback About the Supervisory Process; The Ethics of Clinical Education and Supervision; Supervisor Self Study and Accountability; Interprofessional Education and Practice in Clinical Education and Supervision. Chapter appendices add numerous ancillary materials allowing readers to easily adopt the most successful processes and strategies the research has revealed. Sample scripts of supervisory conferences, self assessment tools, action plan tools, and analysis systems can all be found inside. The Clinical Education and Supervisory Process in Speech Language Pathology and Audiology is intended as a primary resource for anyone in those professions in any setting who is engaged in the process of clinical education and supervision. With this text as their guide, clinical educators and supervisors will be able to ground their practices in the vast compiled research and study contained
