The Teachings Of Jonah The Medium For Jonah Is Hossca Harrison:

The Teachings of Jonah Constance Luciano,2008-02 Jonah comes from a dimension beyond our universe a nonphysical dimension of light color and sound Through medium Hossca Harrison Jonah has come forth to assist in opening the heart to bring a message of freedom and to teach universal loving The Teachings of Jonah was created from an early taped series of Jonah s messages Author Constance Luciano transcribed and edited these tapes to provide Jonah s teachings in written form The lessons offered in The Teachings of Jonah include How to get in touch with our spirituality How death is a birth into another reality How our thoughts and understandings determine what type of reality we will be born into when we die How disease is created and what the relationship is between the mind the emotions and the body How meditation is a both a tool and a technique How to enhance the true bonding within ourselves our families and amongst our loved ones How prophecies and predictions are made and what they are Jonah has helped thousands of people with his messages His teachings prompt all of us to accept complete responsibility for who and what we are The Joy of Self Healing Hossca Harrison,Ann Raisch,2015-03-05 These healing messages from Jonah give an understanding of the mental emotional physical and spiritual bodies Jonah gives recipes to assist you in understanding and healing everything from anxiety to vision using breathing exercises meditations and natural remedies If you want to take charge of your own healing this is the book for you Ye my friend must be willing to take total and complete responsibility for all ye create to love your creation to love yourself to love your earth and when this is done to accept yourself as a master Do not do this for ego aggrandizement for a master does not carry an ego The master does not carry fear Masters live their own teaching Begin joining with those of the light with those of truth Begin making the decision ye are worth the universe because ye are not separated from it Become again as a child for a master knows how to play Become a student for a master knows there is no end to learning Become a teacher for a master knows that to teach loving is the greatest contentment ye will ever find in all eternity Become one with the source Become one with truth your truth your individual truth your personal truth Become one with the universe and truly on your journey to mastership youll never walk alone Jonah *Tide of Change* Hossca Harrison,2007-09-29 Why the NBC Today Show Seattle Times Denver Post Boulder Camera Longmont Times Time magazine and many others find this man s story to be astounding Hossca Harrison in his own words writes this book is not about phenomena although phenomena are part of the story This book tells about an emotional journey between life and death that begins in Central America and ends in England It encompasses my journey through two near death experiences over an eleven year period This book is not about death although death is part of the story Nor is this book about healing although healing is a part of the story My life may seem full of pain and suffering Quite the contrary it has been filled with experiences beyond the conscious conception of many I have had the opportunity to experience life beyond the dreams many people hold My life s story is not for the causal reader This story is for those who know there is much more to life than meets the eye My journey involves experiencing life

beyond traditional beliefs beyond traditional ways of thinking creating and healing If someone had come to me in December of 1981 and forewarned me that before December ended my life would end and begin again that I would give up everything I thought to be true including my business my home and my way of life I would not have believed it possible I could not believe it My mind was very much entrenched in the illusions we make for ourselves in this reality My mind could not have dealt with the future I was about to embark upon Thankfully no one told me what my future held If someone had and I had believed it I would have hidden under the biggest rock I could find Jonah Zonderkidz,2003 **The Prophet Jonah, His Character and Mission to Nineveh** Hugh Martin,1866 **Jesus and Jonah** John William McGarvey,1896 *The Prophet Jonah* Hugh Martin,1979 *Jonah* Chad Groen,2021-03-10 Most people don't know the book of Jonah as well as they think As kids in Sunday school they learned that Jonah was eaten by a fish and vomited out three days later but that's about it What they don't realize is there's a WHOLE LOT more to that story that makes it truly amazing and beneficial for them to read This book exposes you to the full story of Jonah so you can learn all the amazing things that happen in it as well as the interesting connections it has with other books in the Bible Not only will you learn how entertaining and unpredictable Jonah is but you'll also gain a better understanding of who God is how you can grow closer to him and how you can live a life of satisfaction

Lessons Learned from Jonah Robert Snitko,2017-08-29 We live in a performance driven world a world that measures our status through results and accomplishments The reality is that we shift this kind of thinking on God We create a performance driven God and fool ourselves into thinking that God's expectations must be achieved or we are doomed But the truth is that God is not a God who expects performance Rather He is a God of grace He understands that we will fail and that is why He redeems us in Christ In *Lessons Learned from Jonah* Robert Snitko examines the grace that God offers to Jonah regardless of his constant failure The book of Jonah is filled with the exact imprint of who we are as fallen human beings along with our sinful tendencies to run away from God in the moments when He calls us to obedience Yet God in His sovereignty is seeking redemption and restoration with His people through the person and work of Jesus Christ Join the journey of experiencing God's grace in this devotional through the narrative of Jonah **The Message of Jonah** Rosemary A. Nixon,2003 Jonah is a book artfully constructed with one chapter devoted to a psalm It is a book that will reward careful reading and meditation But more than that in the drama of Jonah we find charted the course not just of this angular prophet but of Israel's attitude toward its most despised neighbor in the Mediterranean world Jonah refuses to answer God's call to go and proclaim judgement because he knows God is just the kind of God who respond in mercy and grace should the Assyrians repent Jonah will have no part of it until he is compelled And even then he pities himself **Jonah** Martin Ralph DeHaan,1955 **The Message of Jonah** Terence Fretheim,2000-04-12 Examining the theological conflict at the heart of the Book of Jonah Dr Fretheim carefully expresses Jonah's powerful message bringing a fresh perspective of God's mercy and forgiveness and its application in today's world Journeying with Jonah Denis McBride,2015 **The Prophet Jonah**

Hugh Martin,1979 Running from Mercy Anthony Carter,2018-10-01 The story of Jonah the prophet is familiar to us It s full of unforgettable images ironic twists and turns and dramatic encounters between humanity nature and God Most importantly it is a microcosm of the human story Your story My story The story of Jonah In these pages you will meet a prophet not so different from yourself The prophet s rebellious spirit is astounding but more astounding still is the surprising grace of God The same God who relentlessly pursued Jonah and who relentlessly pursued the Ninevites is pursuing you May this story cause you to rest in his unstoppable grace **My Son, Jonah** Cyril J. Barber,Gary H. Strauss,2010-07-01 Drs Cyril Barber and Gary Strauss have approached the books of Jonah and Nahum in a unique way As Dr Howard Hendricks pointed out in his Foreword they have brilliantly worked off the model of God the Father to produce a theologically precise and psychologically sound book that is readable and workable All children who have attended Sunday School or VBS can tell you the story of Jonah and the whale and teenagers who have taken a one semester course in ancient history know of the fate that overtook the people living in Nineveh But what are the abiding lessons of these books for parents adolescents and children Building on an accurate translation of the Hebrew text and incorporating data from history archaeology and sociology the authors have demonstrated how in every age God the Father deals lovingly yet firmly with His children The result is an explanation of much of the teaching of the New Testament Discussion questions at the end of each chapter make this book ideal for use in discussion groups *A Journey with Jonah* Paul Murray,2002 A look at the meaning and the humor of the Book of Jonah **Jonah** Patrick Fairbairn,2020 *Jonah* Bruce G. Epperly,2016-09-16 The story of Jonah and a whale and a city headed to destruction Fact or just a tale to teach me something If so what Bruce Epperly brings his passion for teaching to a book in the Bible which is often dismissed as too light with nothing for a Believer to dig into Jonah thought he knew God and how God acts He was a prophet He knew he had heard God s voice He could count on God Then one day God gave him orders he did not want to carry out Could Jonah ignore God *Jonah Bible Study Book* Jesus Bible Foundation,2025-05-13 What if God asked you to love the unlovable Would you run or respond The Book of Jonah is more than the story of a runaway prophet and a giant fish It s a divine mirror that reflects the tension between obedience and resistance mercy and justice compassion and comfort Jonah Bible Study Book God s Mercy for the Nations and the Heart of a Prophet dives deep into one of the Bible s shortest but most provocative books offering a transformative journey through verse by verse commentary theological insight practical application and heartfelt prayers In this powerful study you ll discover Why Jonah fled from God and why we often do too How God s mercy reaches the depths of rebellion and despair The surprising revival in Nineveh and what it reveals about God s heart for the nations How God gently confronts our pride prejudice and misplaced priorities Why grace is not only a gift to receive but a calling to extend Whether you re leading a group or studying solo this resource features Four rich study chapters one for each chapter of Jonah A 7 Day Devotional Journey for deeper daily reflection Guided discussion questions and practical life lessons Prayers that align your heart with

God's compassion and purpose God's call is clear carry His mercy to the world even when it's uncomfortable Will you go where He sends you
