The Telephone Vocal Score

Donald J. Stubblebine

The Telephone Vocal Score:

Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work a companion to the author's Broadway Sheet Music A Comprehensive Listing of Published Music from Broadway and Other Stage Shows 1918 through 1993 McFarland 1996 provides information about all sheet music published 1843-1918 from all Broadway productions plus music from local shows minstrel shows night club acts vaudeville acts touring companies and shows on the road that never made it to Broadway and all the major musicals from Chicago *Departments of State and Justice, the Judiciary, and Related Agencies Appropriations for 1957: Department of State; Refugee Relief Program* United States. Congress. House. Committee on Appropriations, 1956 *Departments of State and Justice, the Judiciary, and Related Agencies Appropriations: United States Information Agency* United States. Congress. House. Committee on Appropriations, 1956 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1950 *The Creative Choir* James Neilson Graham, 2015-05-25 Choral singing is

enjoying a renaissance and this timely book contributes to our understanding of what choir work can and should be about Starting from the idea that education underpins the rehearsal process James Neilson Graham delves into the theory and practice of working with singers drawing on the insights of Emile Jaques Dalcroze in relation to movement and Valborg Werbeck Svrdstr m in relation to the voice Singing is an aspect of our common humanity and the health of the socio musical organism finds its reflection in the choral sound How can the individual flourish in the midst of so many How can the conductor facilitate the process In lively fashion with more than seventy music examples diagrams and illustrations James Neilson Graham challenges orthodoxies and opens up new developmental pathways for the choir leader and the choral singer

Hearings United States. Congress. House. Committee on Appropriations, 1956 *Women in American Operas of the 1950s* Monica A. Hershberger, 2023 The first feminist analysis of some of the most performed works in the American opera canon emphasizing the voices and perspectives of the sopranos who brought these operas to life In the 1950s composers and librettists in the United States were busy seeking to create an opera repertory that would be deeply responsive to American culture and American concerns They did not break free however of the age old paradigm so typically expressed in European opera that is of women as either saintly and pure or sexually corrupt with no middle ground As a result in American opera of the 1950s women risked becoming once again opera's inevitable victims Yet the sopranos who were tasked with portraying these paragons of virtue and their opposites did not always take them as their composers and librettists made them Sometimes they rewrote through their performances the roles they had been assigned Sometimes they used their lived experiences to invest greater authenticity in the roles With chapters on *The Tender Land* *Susannah* *The Ballad of Baby Doe* and *Lizzie Borden* this book analyzes some of the most performed yet understudied works in the American opera canon It acknowledges Catherine Clement's famous description of opera as the undoing of women while at the same time illuminating how singers like Beverly Sills and Phyllis Curtin worked to resist such undoing years before the official resurgence of the

American feminist movement In short they ended up helping to dismantle powerful gendered stereotypes that had often reigned unquestioned in opera houses until then *Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island* Brown University. Library,1972 **Departments of State, Justice, and Commerce, the Judiciary, and Related Agencies Appropriations for ...** United States. Congress. House. Committee on Appropriations,1956 *Hearings* United States. Congress. House,1956 *The Juilliard Review* ,1955 **I Dream a World** Beverly Soll,2005-01-01 William Grant Still 1895 1978 dreamed of a world in which his eight operas for him the ultimate form of musical expression would be heard in the major opera houses in the United States devoting most of his career toward the pursuit of this goal The first part of I Dream a World creates a context for Still s operas and explores commonalities among them including structural elements and musical characteristics The second part traces the research composition and perform ances of the operas as a way of documenting the history of the composer and his contributions to American opera Although I Dream a World is not intentionally biographical it is very pers onal It is more than the story of William Grant Still s love of operatic music of the libretti that reflect his own life and philosophy and of the world he dreamed through his work It opens a window on Still the man as well as on Still the composer that offers important insights into the social milieu of this pioneering figure *The Musical Theater of Stephen Schwartz* Paul R. Laird,2014-04-10 As the composer lyricist for Godspell Pippin Wicked and other musicals Stephen Schwartz has enjoyed one of the mostsignificant careers in American musical theater for more than four decades Schwartz has also achieved success on the big screen contributing to such films as Enchanted The Prince of Egypt and Pocahontas For his work he has received six Tony nominations three Grammys and three Academy Awards The Musical Theater of Stephen Schwartz From Godspell to Wicked and Beyond is a detailed examination of Schwartz s various projects throughout his career Musicologist Paul R Laird discusses at length Schwartz s major shows and also considers his other ventures such as the music and lyrics for animated features from Disney and Dreamworks The book focuses on two major aspects of Schwartz s creations the process of collaboration resulting in a project s completion and a descriptive analysis of his music and lyrics Laird also describes each show s critical reception and its place in the larger history of musical theater Based on extensive interviews with Schwartz and a number of his major collaborators this book provides a rare look into the creation of the composer and lyricist s shows and films The Musical Theater of Stephen Schwartz is intended for fans as well as students and professional researchers in music theater and the musical theater *The Boston Composers Project* Boston Area Music Libraries,1983 The bibliography lists nearly 5 000 compositions by 200 composers of jazz and art music indicating where scores or realizations can be purchased rented or borrowed and which Boston area libraries have them in their collections **Gian Carlo Menotti** Donald L. Hixon,2000-02-28 Gian Carlo Menotti is a composer known chiefly for his popular operas including Amahl and the Night Visitors The Medium and The Consul He also wrote a considerable amount of choral instrumental and chamber music

This addition to the Greenwood Press series Bio Bibliographies in Music serves as a reference guide to Menotti's career. A brief biographical sketch precedes a chronologically arranged bibliography of general writings by and about Menotti followed by a detailed list of works alphabetically arranged. A bibliography of writings about specific compositions complete with selected contemporary critical reviews includes data on premiers and other significant performances and discographies of recordings. Opera music scholars along with Menotti fans will appreciate this detailed guide to available research materials. Intended as a scholarly resource, this volume also includes two appendices: a chronological list of works and a genre list of works. An author index and a separate performer index are provided.

The Amateur Stage, 1929 **The Musical Times**, 1906 **Sunday Excursion** Alec Wilder, 1953 **Arias, Ensembles, & Choruses** John Yaffé, David Daniels, 2011-11-17

Conductors John Yaff and David Daniels have created a one-stop sourcebook for orchestras, opera companies, conductors, and librarians who research and/or prepare programs of vocal excerpts such as solos, ensembles, and choruses for concert performance. In this book, readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas, operettas, musicals, and oratorios: more than 1,750 excerpts from 450 parent works. Modeled on Daniels' *Orchestral Music*, *Arias, Ensembles, Choruses* includes basic historical details about each parent work as well as extract titles, subtitles, voice types, keys, durations, locations in the original work, with page numbers in both full scores and piano/vocal scores, and exact instrumentation. It also lists the publishers that make available the orchestral materials for just the excerpt being programmed, independent of the full parent work. Until now, conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three-minute aria after another, only to then consult multiple publishers' catalogues to compile crucial information on all the excerpts proposed for a concert or recording. This book constitutes a single source for finding that information. In many cases, the individual entries include valuable insider information on common performance practice, including start and stop points, transpositions, and conventional cuts. Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts, all categorized by personnel, e.g., duets, trios, quartets, quintets, sextets, choruses, and language: Czech, English, French, German, Italian, Latin, Russian. This book is the ideal tool for the working conductor and orchestral librarian, as well as music program directors at colleges and conservatories, opera companies, and symphony orchestras.

As of October 2015, a new printing of this book has occurred to correct errors in the index. A PDF version of the new index is available to previous purchasers of the volume. Please contact Rowman Littlefield's music editor for assistance.

Twentieth Century Opera George Whitney Martin, 1999. *Limelight* Martin provides a guide to opera that is sweeping in its scope, thorough in its detail, and authoritative in its commentary. He recalls a century of achievement in an art form that today enjoys unprecedented popularity and that has been generously enriched by challenging works in many cases yet to be fully recognized of the modern era.

Getting the books **The Telephone Vocal Score** now is not type of inspiring means. You could not lonesome going in the manner of book collection or library or borrowing from your links to entre them. This is an unconditionally simple means to specifically get lead by on-line.
